

Officer Sease presented the following report for April: Total calls answered for the month-4; Motor vehicle arrests-0; Criminal investigations-0; Criminal arrests-0; a total of twenty hours spent in the township.

Forms were received for 1978 Supplemental Liquid Fuel Tax Fund Allocation in the amount of \$ 944.25. The funds are to be used in the year 1979 to fill pot-holes and general road maintenance. Mr. Herr made a motion to use the funds on the following roads: Middle Creeks Rd.; Natural Dam Rd.; and Wenschhoff Rd; seconded by Mr. Gordon.

A letter was received from Service Supply Company that the price of road oils have increased effective April 16, 1979. Since the contract contained an escalator clause the new prices as of April 16, 1979 are as follows:

| | |
|------------------------------|------------------|
| E-2 Anionic Asphalt Emulsion | \$.527 per gal. |
| MC-30 Asphalt Dust Oil | \$.649 per gal. |

Mrs. Rebecca A. Darcy resigned her position as Secretary Treasurer of the Freedom Township Board of Supervisors. Her resignation was accepted with deepest regret.

There being no further business, the meeting was adjourned. The next meeting will be held June 13, 1979 at the Greenmount Firehall.

The Township Planning Commission, James Henry, Horace Waybright, and Robert Plank, presented the following preliminary and final subdivisions: (1) John Warner (a four lot plan containing a total of 16.884 acres located along T-318, McGlaughlin Road); and (2) George E. Kennel (a one lot plan containing 3.202 acres located along Business Rt. 15). Mr. Gordon made a motion to approve the subdivisions, seconded by Mr. Herr.

Mr. Herr, Roadmaster, stated that Middle Creek Road, Wenschhoff Road, and Natural Dam Road and Pheasant Farm Road were repaired this month.

Officer Sease presented the following report for May: Total calls answered-4; Motor vehicle accidents investigated-0; Motor vehicle arrests-0; Criminal investigations-3; Criminal arrests-9.

Officer Sease stated that he has no authority to arrest persons parking and creating a nuisance along the Covered Bridge Road off Waterworks Road. He suggested that the Supervisors consider passing an ordinance prohibiting parking from 10 p.m. to 7 a.m. on the Covered Bridge Road. The Supervisors directed Mrs. Klindt to investigate the ordinance.

Mr. Bernard Sydnor of Wolfe, Matan and Sheehan Realty again appeared (last appearance 12-13-78) before the Board representing Haggart Associates (Haggart is no longer part of the Association). Apparently Ronald Haggart sold a portion of this property to Robert P. Kiehl, who has since moved in a mobile home and built a barn, but a deed was never issued or transferred. Mr. Sydnor asked if he could submit a subdivision plan to the Freedom Township Planning Commission. The Supervisors agreed to this.

Mr. Skip (Charles) Hockley of Hockley and O'Donnell Insurance, Gettysburg asked to review the Township Insurance coverage. The Supervisors agreed to this.

Mr. Junie Reaver and Guy T. Gordon met with Eduardo G. Pinto of Buchart-Horn Associates, consulting engineers and planners and Marty Frengs from HUD. They presented a detailed map of future study areas for flood control. A detailed study will be done along Marsh Creek and Plum Run. Approximate study will be done along Middle Creek.

Mrs. June Gordon resigned as Township Tax Collector as of June 30, 1979.

There being no further business the meeting was adjourned. The next meeting will be held July 11, 1979.

Officer Sease presented the following report for June: Total calls answered-0; Motor vehicle accidents investigated-0; Motor vehicle arrests-0; Criminal investigation-0; and Criminal arrests-0.

The Vacancy Board met to appoint a tax collector. Mr. Bigham, Mr. Gordon, Mr. Herr and Mrs. Rebecca Darcy, Chairperson interviewed the candidates. They were Mrs. Barbara Henry, Mrs. Kathleen Shindledacker, and Mr. Samuel L. Brewer. Each candidate met with the Board and were asked about their qualification. On a secret ballot Mr. Samuel L. Brewer was unanimously elected. Mrs. Klindt was directed to notify the applicants of the Board's decision.

Mr. James Deatherage of Stephson Equipment Co., Harrisburg said he has located two used tractors. One is a Massey Ferguson. This tractor would be approximately \$5000, the side mounted mower approximately \$1491, and the loader

\$2700, for a total of approximately \$9191. The second tractor was a Ford 9N. This tractor would be approximately \$2500, mower approximately \$1491, and the loader approximately \$2700, for a total approximate cost of \$6691.

A short discussion followed and in order to make a decision Mrs. Klindt was directed to advertise in the general classified for a tractor of 40 to 50h.p. with a 5 ft. side mount mower and a 5 ft. (double acting loader). The tractor not to be over 10 years old.

There being no further business the meeting was adjourned. The next meeting will be held August 8, 1979 at the Greenmount Firehall.

Officer Sease presented the following report for July: Total Calls Answered-2; Motor Vehicle Accidents Investigated-0; Motor Vehicle Arrests-0; Criminal Investigations-0; and Criminal Arrests-0.

Pat Zimmerman presented the report of the auditors for June E. Gordon's accounts. The Books balance. The auditors recommend that in the future all check books and other material be imprinted with Freedom Township rather than the individual tax collectors name.

Jim Bigham recommended that the township rent a three-point hitch scrapper at a rate not to exceed \$ 2.50/hr. On a motion of Mr. Gordon, seconded by Mr. Herr it was approved.

Mrs. Klindt asked and received approval to carry only \$100.00 in each of the township checking accounts. The excess to be deposited in a 5% savings account. There will be two signatures necessary to withdraw funds.

Service Supply has notified the township in a letter dated July 25, 1979 of the following rise in prices as per the escalator clause in the contract:
E-2 Anionic Asphalt Emulsion \$.567/gallon
MC-30 Asphalt Dust Oil \$.729/gallon

All candidates for office must file an Ethics statement by September 7, 1979. All other public employees must file by May 1, 1980. There are no specific dollar amounts needed.

There being no further discussion the meeting was adjourned. The next meeting will be held September 12, 1979.

Officer Sease presented the following report for August: Total Calls Answered-3; Motor Vehicle Accidents Investigated-1; Motor Vehicle Arrests-0; Criminal Investigations-0; and Criminal Arrests-0.

Mr. Shultz of Gettysburg Engineering has sent the township a letter about Mr. Douglas Piper, Sr. and his difficulties and violations. The township supervisors agreed to send Mr. Piper, Sr. a letter informing him he has 60 days in which to comply with township sewage and building code regulations.

Mr. Angeliaris was also notified to cut the thistles on his property as soon as possible as there is a weed ordinance.

Mrs. Klindt was directed to notify Attorney Campbell to prepare an ordinance prohibiting parking and loitering from 10:00 P.M. to 5:00 A.M. on the following roads: T-331 Scott Road; T-405 Old Waterworks Road; and T-401 Natural Dam Road.

Mrs. Klindt was directed to locate and bring to the next meeting copies of ordinances now in effect for Freedom Township.

Emergency Management (formerly Civil Defense) was discussed. The Emergency Management Director for a township has far reaching powers during a declared emergency. The director must now be trained and pass certain state requirements. If the township does not have a qualified director the state may appoint one. The supervisors decided to seek an interested and qualified person for Emergency Management Director.

There being no further business the meeting was adjourned. The next meeting will be October 10, 1979

Officer Sease presented the following report for September: Total calls answered-3; Motor vehicle accidents investigated-0; Motor vehicle arrests-1; Criminal investigation-0; and Criminal Arrests-0.

Greenmount Fire Chief Neil Routhaupt presented the following report for September; assisted Cumberland Twp. with clearing debris; two car accidents; and on motorcycle accident. An average of 19 men responded with each call.

Chief Routhaupt also requested the Supervisors consider an increase in funding for next year.

The ordinance to prohibit littering and loitering on T-331 Scott Road; T-405 Old Waterworks Road; and T-401 Natural Dam Road between the hours of 10:00 p.m. and 5:00 a.m. was passed on a motion of Mr. Gordon and seconded by Mr. Herr.

Mr. Gordon will ask Roscoe Shindledecker if he will be Emergency Management Director and take all courses for certification and to attend the meetings and report to the Board of Supervisors.

The Township Planning Commission, James Henry, Robert Plank, and Horace Waybright presented two final subdivisions. Haggart Associates has a three lot subdivision of 26.030 acres. Lot 1, still belonging to Haggart contains 19.072 acres of vacant land and Lot 2, contains 6.958 acres improved with an existing mobile home, barn, well, and on-site sewage system presently occupied by Mr. Keihl. The 26.030 acres are situated along Middle Creek Road. Douglas Piper received approval for two subdivisions to bring him within township regulations. The first subdivision is for 1.0075 acres along L.R. 01052 presently on which there is a 12x58 mobile home and an existing septic system and the second subdivision is for six lots. They are Lot 1-1.350 acres, Lot 2-1.207 acres, Lot 3-1.56 acres, Lot 4-now owned by Tait, containing 1.000 acres, Lot 5-10.215 acres and Lot 6-2.705 acres containing a 14x52 mobile home and well.

There being no further business the meeting was adjourned. The next meeting will be November 14, 1979.

Mr. Bigham made a motion to tentatively adopt the budget for 1980 in the amount of , seconded by Mr. Gordon. The secretary was instructed to advertise the final adoption for the regular meeting to be held December 12, 1979.

The Township Planning Commission members Horace Waybright, James Henry, and Robert Plank presented the following preliminary and final subdivisions. Terrance Weitzel was granted a subdivision on 183.63 acres. The first, 141.660 acres, now vacant and the second of 41.977 acres presently with the house. The second subdivision was granted to Frank Bigham. The total acreage to be subdivided was 7.591 acres. Melvin Chapman received .128 acres, Richard Golden received .114 acres, John Fellows received .019 acres and 7.330 acres were retained by John C. Bigham.

Roscoe Shindledecker has accepted the position of Emergency Management Director for Freedom Township. Mr. Fox, Adams County Emergency Management director will be notified.

The Adams County Convention of elected and appointed officials will be held November 21, 1979, at the Barlow Firehall.

There being no further business, the meeting was adjourned. The next meeting will be held December 12, 1979 at the Greenmount Firehall.

Mr. Gordon made a motion, seconded by Mr. Bigham, to adopt the 1980 budget without substantial change from the proposed budget.

Mr. Herr, made a motion to advertise the Organizational meeting for Monday, January 7, 1980 to be held at the Greenmount Firehall at 7:00 p.m. and seconded by Mr. Gordon.

Officer Sease presented the following report for November: Total calls answered for the month-1; Motor vehicle accidents investigated-1; Criminal investigation-0; and Criminal arrests-1.

Greenmount Fire Company responded to four calls for November. They were: (1) November 15, 1979, flooded oil furnace; (2) November 22, 1979, Motor vehicle accident; (3) November 24, 1979, Motor vehicle accident; and (4) December 9, 1979, Brush fire.

The Planning Commission (James Henry, Horace Waybright, and Robert Plank) presented the following preliminary and final subdivision: Frank B. and Rebecca A. Darcy a one lot subdivision of 11.966 acres along Bullfrog Road. Mr. Gordon, made a motion to approve this subdivision, seconded by Mr. Herr.

Mrs. Cullison requested that stone be placed on the road in front of her home.

Mr. James Henry of the Planning Commission does not wish to be reappointed as Secretary. The commission is in need of one other member who should also be willing to serve as secretary. They presented the following names for consideration George Glenn, Terry Weitzel, Bill, mellors, Frank Darcy, Jr. and Harold Wantz.

Mrs. Knorr acting as spokesperson for her family, inquired about the rules and regulation pertaining to building in Freedom Township. She was told that a subdivision of over 10 acres does not require a perc test but it cannot be further subdivided without passing perc. A building permit is valid for six months and in that time a foundation must be erected.

There being no further business the meeting was adjourned. The next meeting will be held January 7, 1980.

The organizational meeting of the Freedom Township Board of Supervisors was held at 7:00 p.m. at the Greenmount Firehall. All Board members were present.

Oath of office was given to Guy T. Gordon, sworn in as Supervisor.

Bert Waybright was sworn in as auditor, taking the place of Clarence Waybright.

A motion was made by Mr. Herr, seconded by Mr. Bigham to elect Mr. Gordon Chairman of the Board for 1980.

A motion was made by Mr. Gordon, seconded by Mr. Herr to elect Mr. Bigham Vice Chairman of the Board for 1980.

A motion was made by Mr. Gordon, seconded by Mr. Herr to appoint Mrs. Barbara R. Neth as Secretary-Treasurer of the Board.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to appoint Mr. Herr as Roadmaster.

A motion was made by Mr. Herr, seconded by Mr. Gordon to appoint Mr. Bigham as Assistant Roadmaster.

A motion was made by Mr. Bigham to appoint Mr. Gordon, seconded by Mr. Herr as Assistant Roadmaster.

A motion was made by Mr. Herr, seconded by Mr. Bigham, to raise the pay of outside labor from \$3.50 to \$3.75.

A motion was made by Mr. Gordon, seconded by Mr. Herr to have Adams County National Bank continue to serve as our banking institution.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to have Attorney Robert E. Campbell serve as Township Solicitor.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to have Mr. Dean Shultz and Mr. Edward Mort continue to serve as Township Engineers and Administrators of Act 537.

A motion was made by Mr. Gordon, seconded by Mr. Herr to continue the Police Protection Contract with Cumberland Township.

A motion was made by Mr. Herr, seconded by Mr. Gordon to recommend to the Board of Auditors to set the Supervisors wages at \$4.00 per hour.

A motion was made by Mr. Herr, seconded by Mr. Bigham to renew the Public Official Bond in the amount of \$25,000.

A motion was made by Mr. Herr, seconded by Mr. Gordon to continue holding regular meetings on the second Wednesday of each month at 7:00 p.m. at the Greenmount Firehall.

A motion was made by Mr. Gordon, seconded by Mr. Herr to continue the Secretary's wages at 5%.

A motion was made by Mr. Gordon, seconded by Mr. Herr to continue the Tax Collector's rate at 5% discount, par and penalty.

Act 67, effective August 15, 1978, provides for the establishment of a Vacancy Board. The 1980 members of the Board are Mr. Gordon, Mr. Herr and Mr. Bigham. Mr. Shindlecker was selected as the registered elector.

Officer Sease presented the following report for December: Total calls answered for the month-1; Motor vehicle accidents investigated-1; Criminal investigations-0; Criminal arrests-1; a total of twenty hours spent in the township.

Greenmount fire Company responded to 52 calls during 1979. They were: 14 accidents, 12 structure fires, 7 vehicle fires, 4 grass and brush fires, 3 false alarms, 3 standbys and 9 miscellaneous calls.

Greenmount Fire Company had 37 calls in their territory during 1979. They assisted Emmitsburg Fire Company on 7 calls, Barlow Fire Company on 7 calls and Gettysburg Fire Company once.

Greenmount Fire Company had 24 calls in Cumberland Township, 19 in Freedom, 7 in Maryland and one each in Mt. Joy Township and the Borough of Gettysburg. Man hours for the year was 2,525 hours and 36 minutes. The fire company was out on call a total of 379 hours and 51 minutes. The average response time was 1 minute and 57 seconds. The average men per call was 20 men. Damage for the year was \$179,700. They also conducted 22 pumping details and 2 burning details during 1979.

The bid for the tractor was opened and awarded to Stephenson Equipment Company, Harrisburg. Their bid was for \$3,000.

There being no further business the meeting was adjourned. The next meeting will be held February 13, 1980.

Officer Sease was unable to be present therefore the police report will be presented in April.

The Greenmount Fire Company answered the following calls: (1) Brush & grass fire at the Perfect Rest Motel; (2) Brush & Grass fire at the Larry Green residence; (3) Chimney fire at the Ralph Stahley residence and (4) Chimney fire at the Charles Gerald residence.

The township supervisors spent considerable time discussing the roads and conditions. It was agreed to follow the opinions Mr. Scott, State highway to repair the deteriorating roads and do no new construction. The secretary was instructed to let bids for this work. They will be opened and awarded on April 9, 1980 at 7:15 p.m.

The Township Planning Commission members Horace Waybright, Robert Plank and Terrence Weitzel presented the following preliminary and final subdivision. Stephen de Riggs subdivided a 19.675 acre piece into two tracts of 9.630 and 10.045 acres.

Mr. and Mrs. Cornelius Knorr came before the Board asking for a building permit. Their acreage lies in both Highland and Freedom Township and they are presently paying taxes in Highland. The Board felt that they had no authority to issue a building permit at this time since Highland township was receiving the taxes. They agreed to issue a permit if part of the land is taxed by Freedom Township. The Knorr's agreed to this. A building permit will be issued when the land is in Freedom Township's jurisdiction.

There being no further business the meeting was adjourned. The next meeting will be held on April 9, 1980.

| 1,000 tons | 2B | Fairfld | 3.45 | 4.70 |
| 500 tons | anti-skid | Gettys | 3.50 | \$.85 |

Mr. Gordon made a motion that the bid from Campbell Stone be Accepted. seconded by Mr. Herr. Bids were no subject to the escalator clause.

The bid of Service Supply Company was accepted. Approximately 12,000 gallons of E-2 Emulsion at .7945 and 1,000 gallosn of MC-30 dust oil was contracted for. The escalotr clause applied to these items.

Mr. Bigham, seconded by Mr. Herr made a motion to accept the above bid.

The following bid was received for equipment rental. C. E. Williams and Sons bid a 10-12 ton roller for an estimated 100 hours at \$24.00 an hour; a 60-80 h.p. grader with scarifier fan an estimated 80 hours at \$24.00 an hour; a back-hoe with wheels for an estimated 80 hours at \$26.00 an hour and a truck with chipper for \$21.00 and hour for an unspecified amount of time.

Mr. Herr, made a motion that the bid from C. E. Williams be accepted. The motion was seconded by Mr. Gordon.

Mr. Steven Neibler of the Gettysburg JayCees explained to the township officieals that the Gettysburg Marathon route is planned to go through part of Freedom Township. Mr. Gordon asked if the Township would be liable for any accidents to the participants and the answer was no. Each participant signs a waiver when they enter the race. This being the case, the Supervisors agreed to the change in route.

There being no futher business the meeting was adjourned. The next meeting will be held May 14,1980 at the Greenmount Firehall.

Officer Sease presented the following report for July: Total calls answered for the month-6; Motor vehicle accidents investigated-1; Motor vehicle arrests-3; Criminal investigations-3; and Criminal arrests-0. A total of 20 hrs. spent in the Township for the month.

The Greenmount Fire Company presented the following report for June and July, 1980: On June 6, 1980 there was a motor vehicle accident at Pumping Station and Bigham Road intersection; (2) A house fire on July 2, 1980 on Boyle Road; (3) A travel camper fire on July 25, 1980 at U.S. Rt. 15, 1 1/2 miles north of the Steinwehr Avenue exit; (4) A motor vehicle accident(false alarm) on July 27, 1980 on U.S. Rt. 15 at the Marsh Creek Bridge; (5) A motor vehicle accident on July 27, 1980 on July 27, on U.S. Rt. 15 one mile north of Steinwehr Avenue exit and (6) A structure fire on July 31, 1980 on Ridge Road, one mile off Business Rt. 15.

The Supervisors voted to order new signs with no stopping, standing or parking, and one sign stating no parking.

The Planning Commission recommended one subdivision for approval. Thomas L. Greiber is conveying 7.501 acres to Donald G. and Janice L. Mason to be used for agricultural purposes only unless necessary soil tests are conducted and permits obtained.

A special meeting will be advertised to discuss the need for a revision to the subdivision ordinance. It will be held on August 17, 1980 at 8:00 p.m. at the Greenmount Firehall.

There being no further business the meeting was adjourned. The next meeting regular meeting will be held on September 10, 1980 at 8:00 p.m.

Respectfully submitted,
Barbara R. Neth

Gettysburg, PA 17325

A special meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall to discuss the possibility of revising the subdivision ordinance.

Present were all the Supervisors, Junie Reaver and Barbara Neth.

Mrs. Neth explained to the Supervisors the discrepancy between the present ordinance, which pertains to acreage under one acre and the DER state regulations which control farm acreage over 10 acres.

As it is now the Township uses the DER requirements of no perc or sewage module requirements for agricultural acreage over 10 acres. This 10 acres can not be further subdivided.

The township subdivision ordinance applies to one acre lots with on-site wells and sewer(septic), but as the DER rules state no perc needed for over ten acres the township farm land is being subdivided into 10 acre homesites not agricultural land with no perc required. This is breaking up prime farm land into small plots that could easily become a future source of pollution requiring expensive central sewer systems.

An ordinance to require all subdivision to have sewage modules (conventional shallow placement and sand mounds) and a permit to fix existing malfunctioning sewage systems was discussed.

Some of the questions raised were: Will all land pass some type of perc? Why would a bid proposal require per? What about a preexisting sewage system which mal-functions.

At the next meeting of the Supervisors it is hoped that the Planning commission will have some answers to the questions.

September 10, 1980
Gettysburg, PA 17325

The regular meeting of the Freedom Township Board of Supervisors was held at 7:00 p.m. at the Greenmount Firehall. Present were Supervisors Herr and Bigham, Terry Weitzel and David Noel. Mr. Gordon was unable to attend due to hospitalization.

The minutes of the previous meeting were approved by motion of Mr. Herr seconded by Mr. Bigham.

Mr. Bigham made a motion to pay the bills. It was seconded by Mr. Herr.

The Planning Commission is not yet ready to make any recommendation on an ordinance requiring all building lots to pass perc regardless of size.

The Supervisors will resurface Boyle, Natural Dam and Middle Creek Roads. They also will tar and chip Bullfrog Road from Pumping Station to the Liberty Township line.

There was no report from either the Fire Company or the Cumberland Township Police Department.

The Supervisors voted to buy a new spreader.

There being no further business the meeting was adjourned. The next meeting will be October 8, 1980.

2

The Greenmount Fire Company presented the following report for August and September: A house fire on August 1, 1980 on Chapel Road; a house fire, murder and arson on Middle Creek Road at the home of Paul Sell; There were no calls for September.

The annual payment from the state was forwarded to the Greenmount Fire Company.

The Supervisors agreed to contact Cumberland Township about the purchase of salt for the winter. On a motion of Mr. Herr seconded by Mr. Bigham the Supervisors agreed to purchase a set of full chans for the township truck.

The Planning Commission presented the preliminary and final subdivision of Kurtz Miller along Red Rock Rd. (T-327). It is a three lot pan. Lot 1 consists of 10.100 acres, Lot 2 consists of 10.010 acres and Lot 3 has 149.935 acres.

In response to the County Planning inquiry T-324 was named Dawn Rd.

Mr. Ray J. Thompson of the Recreation Department in Gettysburg spoke to the Board about donating part of the \$60,000 + budget. Freedom Township according to the latest survey has 7% of the participants in the Recreation program and the commission would appreciate any help possible.

The Supervisors were advised that Mike Farrell, Richard Smith, Edward Wenschhoff and Sue Tracey are or have done building but have not obtained building permits. Mrs. Neth will contact them to make them aware of the necessity of obtaining building permits.

There being no further business the meeting was adjourned. The next meeting will be on November 12, 1980.

Respectfully submitted,

Barbara R. Neth

Officer Sease presented the following report for August: (1) total calls answered for the month-4; motor vehicle accidents investigated-0; motor vehicle arrests-0; criminal investigations-1; criminal arrest-0. A total of twenty hours spent in the township.

Officer Sease presented the following report for September: (1) total calls answered for the month-4; motor vehicle accidents investigated-0; motor vehicle arrests-0; criminal investigations-1; and criminal arrest-0. A total of twenty hours spent in the township.

Officer Sease presented the following report for October: (1) total calls answered for the month-5; motor vehicle accidents investigated-1; motor vehicle arrests-2; criminal investigations-1; and criminal arrests-0. A total of twenty hours spent in the township.

The Greenmount Fire Company presented the following report for October: (1) on October 3, 1980 a motor vehicle accident on Business Route 15, 1/4 north of Confederate Avenue; (2) on October 12, 1980 a motor vehicle accident on Pumping Station Rd., one mile west of Marsh Creek Bridge; (3) on October 16, 1980 a brush fire on Middle Creek Road on the land of Guy Harner; (4) on October 17, 1980 a brush fire on Business Route 15, 1/4 mile north of U.S. 15 on the land of Lear Ginter and (5) on October 18, 1980 an electrical transformer fire on Knight Road.

The Board received a request for the Adams County S.P.C.A. requesting a donation for 1981. The Supervisors voted unanimously to donate \$15.00.

James Henry of the Planning Commission reported to the Board that the proposed ordinance concerning the requirement of a sewage module for each dwelling regardless of the size of the piece of property is to be brought before the board for a hearing. The Planning Commission recommends a public hearing at 8:00 p.m. on December 10, 1980 at the Greenmount Fire Hall.

The tentative budget for 1981 was presented to the board. Mr. Bigham made a motion to tentatively adopt the budget for 1981 in the amount of \$13,275.35, seconded by Mr. Gordon. The final adoption will be advertised for December 10, 1980.

The Supervisors voted to sell the old spreader. They are going to ask \$1,500 but the minimum they will accept is \$1,000.

The percapita tax was raised on a motion of Mr. Bigham, seconded by Mr. Herr. The Supervisors voted unanimously to raise the tax to \$ 5.00.

Cumberland Township has agreed to supply anti-skid according to Mr. Herr.

The semi-annual inspection of roads will be held on Friday November 14, 1980.

There being no further business the meeting was adjourned. The next meeting will be held on December 10, 1980.

Respectfully submitted,
Barbara R. Neth

The Greenmount Fire Company presented the following report for February: (1) on February 2, 1981 a chimney fire at the home of McKennon's; (2) on February 21, 1981 a motor vehicle accident on Bus. Rt. 15—the owner of the vehicle Luis C. Brady; and (3) on February 22, 1981 standby at Co.22 Barlow.

The Supervisors announced that the Spring Road Inspection will be on March 13, 1981.

The Supervisors will be asking for bids on stone and oil to be opened at the April meeting.

The road construction planned for 1981 is general maintenance on both Schriver and McGlaughlin Rd., stone for Dawn Rd., and on Scott Rd. the cutting of trees off the side gutters.

2

Don Purdy was present at the meeting to request work on Schriver Rd. The Supervisors had planned this. They will perform normal maintenance of stone and grading to stabilize the road bed and Mr. Purdy volunteered the use of his equipment to help with the work if necessary.

Mr. Vic Olwfski requested information about ordinances pertaining to a large private gathering. He told the Board that he plans to hold a motor cycle camp-out on May 9, 1981 on their property on Bullfrog Rd. He asked if there were any ordinances that they must comply with. He was referred to Mr. Campbell, the solicitor, for further information.

There being no further business the meeting was adjourned at 9:30 p.m. The next meeting will be held April 8, 1981 at the Greenmount Firehall.

Officer Sease presented the following report for January: (1) total calls-5; (2) criminal investigations-3; (3) traffic accidents-0; (4) traffic arrests-0. The report for February: (1) total calls-1; (2) criminal investigations-0; (3) traffic accidents-1; and (4) traffic arrests-0. The report for March: (1) total calls-16; (2) criminal investigations-5; (3) traffic accidents-3; (4) criminal arrests-2; and (5) traffic arrest-1.

L. Patrick Zimmerman presented the Auditor's Report for 1980. Mr. Zimmerman and the state auditor Mr. Michalegia have agreed on a final balance for 1980. The difficulty arose due to a common savings account which was separated at the beginning of 1980.

The Planning Commission, James Henry, Terrence Weitzel, Steven DeRiggs, and Horace Waybright presented the following preliminary and final subdivisions: (1) Kurtz J. and Karin R. Miller added a five acre plot to Lot 1A on the previous subdivision on T-327 on Red Rock Rd.; (2) Donald G. and Janice L. Mason exchanged a 1.397 acre tract on the east side of T-324 belonging to "It's a New Dawn, Inc." for a 0.965 acre lot on the west side of T-324; and (3) a 1.513 acre subdivision of George L. Rohrbaugh on T-330. Mr. Gordon made a motion to approve these subdivisions, seconded by Mr. Herr. Motion carried unanimously.

At 9:00 p.m. the Board recessed the regular monthly meeting for the purpose of holding a public hearing on the proposed ordinance to amend the subdivision ordinance. The President of the Board of Supervisors formerly declared the opening of the hearing advertised in the Gettysburg Times for this date at 9:00 p.m. in the Greenmount Firehall. Members present for this hearing were Mr. Bigham, Mr. Guy T. Gordon, and Mr. John J. Herr. Comments on the proposed ordinance were reviewed as follows: Mr. Andrew T. Shorb and his son Thomas C. Shorb appeared before the board to ask how the proposed ordinance will affect Mr. Thomas C. Shorb's plan to build a house on a 10 acre plot not yet deeded to him by his father. The board was of the opinion if the preliminary and final subdivision was presented by the May meeting a building permit could be issued. Mr. Coffelt expressed the opinion that the proposed ordinance would be of value in the township. Mr. Philip Neth explained that there are parts of Freedom Township that are unsuitable for on site disposal and would lead to pollution of the environment if indiscriminate development is allowed. A letter from Dean Shultz was read in which Mr. Richard Waybright asked if the Board would allow him to discharge his effluent from a septic tank into the farm methane digester since his land will not perc. The board felt that if the State sanitarian Mr. Blackstone had no objection, they would not object either. There being no further comment from the public, the hearing was adjourned at 9:15 p.m.

The regular monthly meeting of Freedom Township Board of Supervisors was reconvened at 9:15 p.m.

A Motion was made by Mr. Bigham, seconded by Mr. Herr, that the time for receiving bids had passed and the Secretary was directed to open and read the bids that were received.

Only one bid was received for stone, that being from Flintkote Stone. The bid is as follows:

| Quantity | Description | 3 Plant | Plant Pickup | Tail gate spread |
|------------|-------------|------------|--------------|------------------|
| 1,000 tons | 2A | Gettysburg | \$3.20 | \$4.90 |
| 1,000 tons | 2A | Fairfield | 3.60 | 5.05 |
| 1,000 tons | 2 | Gettysburg | 3.40 | 5.10 |
| 4,000 tons | 1B | Gettysburg | 3.50 | 5.20 |
| 4,000 tons | 1B | Fairfield | 3.90 | 5.35 |
| 1,000 tons | 2B | Gettysburg | 3.40 | 5.10 |
| 1,000 tons | 2B | Fairfield | 3.80 | 5.25 |
| 500 tons | Anti-Skid | Gettysburg | 3.75 | 5.45 |

On a motion of Mr. Herr, seconded by Mr. Gordon the bid from Flintkote was accepted. Motion carried unanimously.

One bid was received for road oils from Serice Supply, York, PA for 12,000 gal. of E-2 Emulsion at .877¢ per gal. and 1,000 gal. of MC-30 Dust Oil at \$1.07 a gal. Mr. Bigham made a motion seconded by Mr. Herr to accept the bid of Service Supply. Motion carried unanimously.

Mr. Bigham made a motion, seconded by Mr. Gordon that the meeting be adjourned. Motion was passed unanimously. The meeting adjourned at 10:00 p.m. The next meeting will be May 13, 1981.

Respectfully submitted,
Barbara R. Neth

At 9:00 p.m. the Board recessed the regular monthly meeting for the purpose of holding a public hearing on the proposed ordinance to amend the subdivision ordinance. The President of the Board of Supervisors John M. Bigham formally declared the opening of the hearing advertised in the Gettysburg Times for this date at 9:00 p.m. in the Greenmount Firehall. Members present for this hearing were Mr. Bigha, Mr. Gordon, and Mr. Herr. Present also were Mr. Robert E. Campbell, township solicitor, Ronald J. Hagarman, a property owner and attorney. Mr. Hagarman pointed out that section 3, Part A & B if left in the proposed ordinance would negate the purpose of the ordinance. Mr. Campbell replied that he had inserted these clauses in the ordinance at the suggestion of the Planning Commission and after re-reading the ordinance feels that he must agree with Mr. Hagarman. Mr. Harner also presented written objections based on the same subsections as were previously discussed. On a motion of Mr. Guy T. Gordon, seconded by Mr. John J. Herr it was unanimously voted to excerpt those sections from the ordinance and readvertise it and have a vote at the June meeting. There being no further comment from the public, the hearing was adjourned at 9:30 p.m.

Roadmaster Herr stated that the widening of Middle Creek in preparation of blacktopping was completed. The cost to be approximately \$2,750. for stone, \$3,100 for oil and \$2,740 to Cumberland for machine hire. Total \$8,590.

There being no further business Mr. Gordon made a motion that the meeting be adjourned. It was seconded by Mr. Herr. Motion was passed unanimously. The meeting was adjourned at 10.00 p.m. The next meeting will be June 10, 1981.

Respectfully submitted,

Barbara R. Neth
Barbara R. Neth
Clerk

June 10, 1981

Officer Sease presented the following report for April; (1) total calls-6; (2) traffic accidents-0; (3) traffic arrest-0; (4) criminal investigations-2; and criminal arrests-0. The report for May: (1) total calls for the month-8; (2) traffic accidents-2; traffic arrests-1; (4) criminal investigations-0; and criminal arrests-0.

The Greenmount Fire Company presented the following report for March: (1) a car fire 3-22-81 on Hoffman Rd.; (2) a brush fire on 3-23 on Bus. 15, 1 mile south of US Rt. 15; (3) a brush fire on 3-24 on Marsh Creek Rd.; (4) a standby for Emmitsburg on 3-27 at Emmitsburg; (5) a grass fire on 3-28 at the Sheraton Inn. In April only one incident which was a recreational trailer fire on Rt. 134, one mile north of US Rt. 15. In May (1) a motor vehicle accident on 5-10 on the Bullfrog Rd. two miles west of Bus. Rt. 15 and (2) a motor vehicle accident on 5-14 on the Bullfrog Rd. one mile west of Bus. 15.

A motion was made by Mr. Gordon, seconded by Mr. Herr, that the following ordinance, which shall be known as Ordinance 81-1 be adopted. An ordinance requiring the obtaining of a permit for the installation of an individual sewage system or community sewage system regardless of acreage; providing for the issuance of such sewage permits; and providing penalties for non-compliance with this ordinance. Mr. Bigham voted yes, Mr. Gordon voted Yes and Mr. Herr voted yes. The ordinance passed unanimously and will go into effect 5 days after its passage.

The Supervisors plan to spread dust oil on Gordon Rd. and McGlaughlin Rd. The Supervisors are in doubt about where the Liberty-Freedom Township line is on McGlaughlin Rd. They are also looking into the possibility of buying a 40 to 50 hp diesel tractor with a price range in the neighborhood of \$4,000.

There being no further business the meeting was adjourned on motion of Mr. Gordon, seconded by Mr. Bigham. Motion was passed unanimously. The meeting was adjourned at 9:30 p.m. The next meeting will be July 8, 1981.

James Henry and Robert Plank were concerned about the D. Richard Smith septic system approved by Dean Shultz. The property is over two acres and is approved for an additional septic system of the sand mound type. The concern is that the system will be too close to the run. Dean Shultz rechecked the location and still feels there should be no problem. Mr. Neth stated that there is no guarantee when a system is put in it will always function. On motion of Mr. Bigham, seconded by Mr. Gordon it was directed to have Mr. Neth, sign the application for the septic permit (to be forwarded to DER). Mr. Bigham approved, Mr. Gordon approved and Mr. Herr abstained.

A resolution not to withhold earned income tax from Maryland residents employed in the township was approved. Mr. Gordon made the motion, seconded by Mr. Herr. Motion passed unanimously.

Mr. Neth was advised by Mr. Brewer, tax collector that it would be to the Township's advantage to pass the interim tax assessment resolution. He feels that it could provide approximately \$200.00 in additional revenue a year. The billing is already done by the county computer and it will entail very little additional work for him. On motion of Mr. Gordon, seconded by Mr. Herr the interim tax resolution passed unanimously.

George Glen appeared before the Board to ask the procedure for subdividing off a small parcel from his father's farm on which he has planted numerous shrubs and has erected a TV antenna. He was told to have the parcel surveyed and present it to County Planning with the notation that it was to be an addition to his present property and the total property will not be again subdivided. When the plan is returned from County it will need to be presented to the Township Planning Commission.

Mr. Herr reported that the Supervisors plan to open a section of side gutters on McLaughlin Rd. from the Liberty Township Line to Plum Run. Also the sides of the roads are in need of mowing and Mr. Gordon said he would do this as he has time. The Supervisors also discussed the run-off on Natural Dam Rd. They will open the side gutters in hopes of helping the problem. Boyle Rd. from Liberty Twp. to the Hobbs Farm about .6 mi. of road is in very bad shape and if it is not maintained properly in the next few months it will very probably wash out with a bad winter.

The Township is in need of another tractor with a high lift to open side gutters and to put anti-skid and debris on the truck. Mr. Bigham has located a used tractor for \$2,500. The Township will still need a high lift but that can be purchased later. On motion of Mr. Herr, seconded by Mr. Gordon the supervisors voted unanimously to rent to purchase the tractor. If the tractor is unsatisfactory the only thing lost would be one months rental.

The Supervisors discussed an equitable way to pay the Supervisors for the use of their vehicles when on township business. It was suggested the Supervisors be paid \$.20 a mile or have the privilege of filling their tanks one a quarter. There was no decision made at this time.

There being no further business the meeting was adjourned at 10:00 p.m.

The next meeting will be August 12, 1981 at the Greenmount Firehall.

August 12, 1981
Gettysburg, PA 17325

The regular meeting of the Freedom Township Board of Supervisors was held August 12, 1981 at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 p.m.

The minutes of the July 8, 1981 meeting were accepted on motion of Mr. Gordon, seconded by Mr. Herr. Motion carried.

Mr. Herr made a motion to pay the bills. Mr. Gordon seconded the motion. Motion carried.

The Greenmount Fire Company presented the following report for June: (1) an accident on US. Rt. 15, one half mile south of Rt. 134 and (2) a car fire at the intersection of Bus. Rt. 15 and U.S. Rt. 15. The report for July: (1) a false alarm structure fire at the residence of Richard Ohler at the intersection of Shorb's Mill Rd. and Bus. Rt. 15 South; (2) a Standby-by at Co 22 quarters (barlow); and (3) a car accident on Bus. Rt. 15 at Marsh Creek Bridge.

The Fire Co. requested a road sign for Shorb's Mill Rd. and also what is the correct number of the road T-330 or T-329.

On a motion of Mr. Gordon seconded by Mr. Bigham it was moved to pay the Planning Commission mileage from their homes to the Greenmount Firehall. Motion carried. Checks to be issued yearly.

On Motion of Mr. Herr seconded by Mr. Gordon the George W. Glenn, Sr. subdivision of 10,000 sq. ft. was approved. Mr. Glenn Sr. is deeding to his son this portion of their common land when Mr. Glen, Jr. has shrubbery and a TV antenna.

On motion of Mr. Herr seconded by Mr. Bigham it moved and voted to buy a 1600 Oliver tractor of 63 h.p. for \$2450.00 for Thomas Sibert of New Oxford. Mr. Herr voted yes, Mr. Bigham Voted yes and Mr Gordon abstained.

The Road report is as follows: Scott Rd has had side gutters cut back and the cutting of the Bream; On Schriver Rd. The holes were patched; Mc Glaughlin was completed with concrete pipes in the driveways to improve drainage and where Plum Run cross the road a load of old concrete is needed to stabilize the road and still give drainage.

On motion of Mr. Bigham seconded by Mr. Herr the secretary was instructed to advertise for bids on 350 tons I.D. -2 wearing cours A.D.T. under 1000 to be applied to .6 mile of Boyle Rd. by Cumberland Township. Motion carried.

There being no further business the meeting was adjourned at 9:15 P.M.

The next meeting will be September 9, 1981.

Cpl. Sease presented the following report for July: (1) total calls for the month-6; (2) criminal investigations-1; (3) criminal arrests-1; (4) traffic accidents-1; and (5) traffic arrests-2. Calls for the month of August were: (1) total calls for the month-5; (2) criminal investigations-1; (3) criminal arrests-0; (4) traffic accidents-0; and (5) traffic arrests-2.

The Greenmount Fire Company Presented the following report for August, 1981: a truck fire at the residence of John Riley.

Upon motion of John M. Bigham Robert Planck was granted a variance to build a garage closer to the line than required in the setback regulation in the subdivision ordinance. He presented a letter from his neighbor Sam McNair stating no objections. Motion was seconded by Mr. Gordon. Motion carried unanimously. Building permit was issued.

Mr. Herr made a motion, seconded by Mr. Bigham to purchase a Dunham Larr loader at \$2,200.00. All supervisors voted yes to the purchase.

A motion was made by Mr. Gordon, seconded by Mr. Bigham that the time for receiving bids had passed and the Secretary was directed to open and read the bids that were received.

Only one bid was received for 350 tons ID-2 wearing course Adams County Asphalt bid \$7.00 a ton for the asphalt. On a motion of Mr. Herr, seconded by Mr. Gordon the bid from Adams County Asphalt was accepted. Motion carried unanimously.

The road report is as follows: side drains on Scott and Red Rock were opened; potholes on Scott and Red Rock were patched; placed 48 ft. of pipe on Natural Dam Rd; and stone was placed on Shrob Mill and Shriver Rd.

Mr. Allan Horoshak reported to Mr. Bigham that he felt the New Dawn (formerly Camp Gettysburg) has a problem with their septic system. It will be reported to Dean Shultz for any action that is possible.

There being no further business the meeting was adjourned at 9:00 p.m.

The next meeting will be October 17, 1981.

October 14, 1981

The regular meeting of the Freedom Township Board of Supervisors was held October 14, 1981 at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 p.m.

The road report is as follows: Boyle Rd. has been completed--new surface; Natural Dam Rd. has had stone spread and the bream cut back; patching has been done on Bulfrog Rd. near the Pheasant Far. The Supervisors plan to open side jutters on Boyle Rd. McLaughlin Rd. and fix the cinder spreader.

Mrs. Neth reported to the Supervisors about her contact with Dean Shultz in regard to New Dawn. Dean said with no nuisance ordinance Freedom Township could not really proceed legally against a violator of the septic code. He referred me to the state enforcement officer Mr. Blacksmith who said he thought New Dawn was a permit of the state and as such was under their control. After checking, Mr. Blacksmith said that the state has the power to make sure New Dawn is in compliance.

There being no further business the meeting was adjourned at 8:30 p.m.

The police report is as follow: September--total calls for the month-4; criminal investigations-1; criminal arrensts-1; traffice accidents-1; and traffic arrests-0. For the month of Octover: total calls for the month-5; criminal investigation-1; criminal arrests-3; traffic accidents-3; and traffic arreats-1.

The Fire report is as follows for September: a traffic accident on September 17, 1981 on Us. rt. 15 and on september 27, 1981 a traffice accident at the inter-section of West Confederate and Bus. Rt. 15. The fire report for October is as follows: a trafffic accident on Us. Rt 15 on October 8, 1981; a chimney fire on October 10, 1981; a traffic accident on October 16, 1981 on Us. Rt 15; a fire on October 23, 1981, a tractor trailer fire on October 25, 1981 and a traffic accident on October 30, 1981 at the intersection of Bus. Rt. 15 and US 15.

The road report is as follows: Mc Laughlin and Bigham road were scrapped, McLaughlin to Plum Run was stoned and large rocks were dumped in Plum Run to form a ford; and Cumberland Twp will sell anit-skid and salt to the township.

Mr. Bigham informed the Supervisors that the situation at New Dawn has not seemed to be improved. Mrs Neth said that Dean Shlutz said the only way to inforce compliance is to have a nuciance ordinance. The Supervisors agreed to consider a nuisance ordinance.

The tentative budget passed. The State allocation for 1981 will be \$19,670. and the anicipated Township revenue is \$30,000, and Revenue Sharing will be \$ 7,021.

After reviewing the cash position of the Township it was moved and seconded to invest \$ 10,000. in a certificate of deposit. Gordon/Herr. Motion carried.

The meeting adjourned at 9:15 p.m.

December 9, 1981

The regular meeting of the Freedom Township Board of Supervisors was held December 9, 1981 at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 p.m.

The minutes of the November 11, 1981 meeting were accepted on motion of Mr. Gordon, seconded by Mr. Herr. Motion carried.

Mr. Herr made a motion to pay the bills. Mr. Gordon seconded the motion. Motion carried.

The Greenmount Fire Company had no calls for the month of November.

The road report is as follows: trees were cut out on Gord and Wenschhoff Rd.; brush was cut on Rohrbaugh and cinders and salt was spread. The Supervisors discussed the need and possible purchase of a set of tire chains for the dump truck. The size needed is 10.00 x 20.00 for the dual rear tires.

Mr. Bigham informed the Supervisors of the State position on the turn over of roads to the local municipalities. The Supervisors agreed to start talks with the state to see which road they are thinking of turning back to Freedom Township.

On a motion of Mr. Gordon, seconded by Mr. Herr the 1982 Budget as advertised be adopted. Motion carried unanimously.

The meeting adjourned at 9:00 p.m.

The next meeting is January 4, 1982.

January 5, 1982

The organizational meeting of the Freedom Township Board of Supervisors was held at 8:00 p.m. at the Greenmount Firehall. All the board members were present.

A motion was made by Mr. Herr, seconded by Mr. Gordon to elect Mr. Bigham Chairman of the Board for 1982.

A motion was made by Mr. Gordon, seconded by Mr. Herr to appoint Mr. Philip Neth as Secretary-Treasurer of the Board for 1982.

A motion was made by Mr. Herr, seconded by Mr. Gordon to hire Mrs. Barbara R. Neth as clerk.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to appoint Mr. Herr as Roadmaster for 1982.

A motion was made by Mr. Gordon, seconded by Mr. Herr to appoint Mr. Bigham as Assistant Roadmaster for 1982.

A motion was made by Mr. Herr seconded by Mr. Bigham to appoint Mr. Gordon as Assistant Roadmaster for 1982.

A motion was made by Mr. Herr, seconded by Mr. Bigham to raise the pay of outside labor to \$4.00 an hour.

A motion was made by Mr. Bigham, seconded by Mr. Herr to recommend to the Board of Auditors that the Supervisors wages be raised to \$5.00 an hour and \$ 20.00 a meeting.

A motion was made by Mr. Bigham, seconded by Mr. Herr to have Adams County National Bank to continue to serve as our banking institution.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to have Mr. Dean shultz and Mr. Edward Mort continue to serve as Township Engineers and Administrators of Act 537.

A motion was made by Mr. Herr, seconded by Mr. Bigham to continue the police protection contract with Cumberland Township.

A motion was made by Mr. Gordon, seconded by Mr. Herr to renew the Public Official bond in the amount of \$25,000.

A motion was made by Mr. Bigham, seconded by Mr. Herr to continue to hold regular meetings on the second Wednesday of each month at 8:00 p.m. at the Greenmount Firehall.

A motion was made by Mr. Gordon, seconded by Mr. Herr to pay the Secretary an honorarium of \$100.00 per year.

A motion was made by Mr. Herr, seconded by Mr. Gordon to continue the Tax Collector's commission at 5% discount, par, and penalty.

Act 67, effective August 14, 1978 provided for the establishment of a Vacancy Board. The 1982 members of the Board are Mr. Gordon, Mr. Herr, and Mr. Bigham. Mr. Roscoe Shindledecker was selected as the registered elector.

January 13, 1982

The regular meeting of the Freedom Township Board of Supervisors was held January 13, 1982 at the home of Guy T. Gordon. All the Supervisors were present. The meeting was called to order at 6:00 p.m.

The minutes of the January 5, 1982 meeting were accepted on motion of Mr. Herr, seconded by Mr. Gordon. Motion carried.

Mr. Gordon made a motion to pay the bill. Mr. Herr seconded the motion. Motion carried.

The Supervisors extended their condolences to Mrs. Roscoe Shindler. It was with deep sorrow and regret the sad news was received.

The death of Mr. Shindler leaves three positions vacant. The Supervisors agreed to ask Jean Mc Hair to serve as registered elector of the Vacancy Board. Mr. Herr was asked to contact Mr. George Glen, Jr. to find out if he would be willing to serve as Emergency Management Director. The Supervisors were unable to name a person to the position of Constable. They will contact township citizens who may be willing to serve. If none are found then an advertisement will be placed in the paper.

The roadmaster reported that at least 20 hours were spent plowing and spreading salt and anti-skid.

There being no further business the meeting was adjourned at 7:00 p.m.

The next meeting will be February 12, 1982 at the Greenmount Firehall.

February 10, 1982

The regular meeting of the Freedom Township Board of Supervisors was held February 10, 1982 at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 p.m.

The minutes of the January 13, 1982 meeting were accepted on motion of Mr. Gordon, seconded by Mr. Herr. Motion carried.

Mr. Herr made a motion to pay the bills. Mr. Gordon seconded the motion. Motion carried.

The Greenmount Fire Company presented the following report for January:
(1) On January 20, 1982 assisted Emmitsburg with a propane truck accident on Rt. 140 east of Emmitsburg and (2) on January 21, 1982 assisted Barlow at the Hill residence on Chapel Rd.

A group of citizens headed by Mrs. Kallet, including Mrs. Mahdi, and Mrs. Branch asked that stone be put in the potholes on McGlaughlin Rd. The school bus is not going down the road due to the poor condition of the surface. The Supervisors agreed to spread stone in the potholes and scrape as soon as the temperature is above 32 degrees.

Mr. Herr presented the following report for January: The roads were plowed and the Supervisors agreed that Scott Rd. needs to be tarred and chipped. Mr. Bigham announced that the Supervisors will meet with Mr. Scott on Wednesday, February 17, 1982 at 10:00 a.m. to discuss the state turnback of roads.

Mr. Charles L. Overman, President of SCATCOM, Inc. presented to the board an explanation of the proposed cable contract. SCATCOM is asking for an exclusive contract with no fees to the Township until the fifth year. The Supervisors agreed to consider the proposal and discuss it with the township solicitor.

The Supervisors approved a subdivision plan submitted by Stephen C. and Ann M. DeRiggs. The DeRiggs are conveying to Eugene F. Larus a 2.431 acre plot to give Mr. Larus a total of 10.045 acres. The lot is not for residential purposes. Mr. Herr made a motion to accept the recommendation of the Planning Commission and Mr. Gordon seconded the motion. Motion carried.

There being no further business the meeting was adjourned at 9:45 p.m.

The next meeting will be March 12, 1982 at the Greenmount Firehall.

March 10, 1982

The regular meeting of the Freedom Township Board of Supervisors was held March 10, 1982 at the Greenmount Firehall. Mr. John M. Bigham and Mr. John J. Herr were present. Mr. Guy T. Gordon was absent due to illness. Attorney Robert Campbell was also present. The meeting was called to order at 8:00 p.m.

The minutes of the February 10, 1982 meeting were accepted on motion of Mr. Herr seconded by Mr. Bigham. Motion carried

Mr. Herr made a motion to pay the bills, Mr. Bigham seconded the motion. Motion carried.

TOTAL FUNDS ON HAND \$ 11,055.66

The Greenmount Fire Company represented by Ed Rothaupt and Ben Bishop stated that the Company will give one key to the township. The township will then be responsible for turning off lights and turning down the thermostat.

Mr. Herr, Roadmaster asked that bid be let for 12,000 gal. E-2 Emulsin, 1,000 gal. Mc-30 dust oil, 10- 12 ton roller, 60-80 hp grader with scarifier, back hoe with wheels, truck with chipper, 1000 tons 2A, 1000 tons 2, 4000 tons 1B, 1000 tons 2B, and 500 tons anti-skid. The motion was made and seconded, and carried to let bids.

Mr. Bigham reported on the supervisors meeting with the state regarding the turn back of 9.79 miles of roads. The roads they wish to turn back are: 010021-1.18 mi., 01022-1.62 mi., 01025-4.20 mi., 01025-1.48 mi., 01003-1.20 mi. for a total of 9.79 miles. At present the state will add \$1,100. per mi to the liquid fuel appropriation and repair the roads to the agreed upon standard. Reimbursement may vary with up or down each year. The state is willing to turn back all or parts of the named roads. At this time no further meeting is scheduled.

Mr. Ernest Schriver contacted the board about 80 acres of farmland that was owned by Stanley and Sue Tracy. There is a scheduled sheriff's sale on the entire 127 acre farm. He wishes to purchase on 80 acres. Attorney Campbell stated that a division of property in more than 10 acre units with no new road created does not need to be approved by Planning Commission as a subdivision. Mr. Schriver was also advised by the Supervisors that the land does lie in a flood plain and in the near future there will be an ordinance controlling building in a flood plain and the present ordinance states that any repairs to a septic system must have the necessary permits. The house on the 80 acre section has no inside plumbing and to modernize would require compliance with the township ordinance No. 81-1.

Mr. Campbell presented to the Board of Supervisors a flood plain ordinance as it is required by the State. The Supervisors will consider the provisions of the ordinance before asking for any changes or revisions.

PSATAS is sponsoring a workmen's compensation reinsurance group through Pacific Insurance affiliated with INA. A representative of the Charles Cladfelter Agency in York presented the program to the board. It is felt that the plan would stabilize cost of workmen's compensation as only 2nd class township would be part of the group. The rates would be the same as before but there may future dividends.

There being no further business the meeting was adjourned at 10:00 p.m. The next meeting will be April 14, 1982 at the Greenmount Firehall.

April 14, 1982

The regular meeting of the Freedom Township Board Of Supervisors met April 14, 1982 at the Greenmount Firehall. Mr. John M. Bigham and Mr. John J. Herr were present. Mr. Guy T. Gordon was absent due to illness. The meeting was called to order at 8:00 P.M.

The minutes of the March 10, 1982 meeting were accepted on motion of Mr. Herr, seconded by Mr. Bigham. Motion carried.

Mr. Herr made a motion to pay the bills. Mr. Bigham seconded the motion. Motion carried.

| 1,000 tons | 2B | Fairfield | 4.20 | 5.65 |
| 500 tons | anti-skid | Gettysburg | 3.85 | 5.55 |

On motion of Mr Herr, seconded by Mr. Bigham the bid from Genstar was accepted. Motion carried unanimously.

The bid of Maitland Brothers, Littlestown was accepted for equipment rental. The cost of rental of a 10-12 ton roller is \$18.00 per hr., 60-80 hp grader with scarifier \$30.00 per hr., back hoe with wheels \$24.00, and Truck with chipper, \$20.00. Mr. Herr made a motion, seconded by Mr. Bigham to accept the bid of Maitland Bros. Motion carried unanimously.

Mr. Herr, roadmaster reported that all the potholes have been repaired. The township should consider a culvert on Natural Dam Rd. and welding on guard rail for the same road.

Mr. Ed Rothaupt presented to the Township secretary Philip O. Neth the key to the door of the firehall. He stipulated that no duplicates were to be made.

Mr. Rothaupt asked if the Township would consider be responsible for the Greenmount Firehall electric bill. If the township would be responsible the fire company would pay the bill but the firecompany would have a constant rate rather than a demand rate. The demand rate is very expensive. The Supervisors discussed the idea and were in agreement that if the fire company would still pay the bill then no expense would be on the taxpayers.

Mr. Robert Plank, Chairman of the Planning commission asked that all business to come before them be presented 10 days before the meeting. The Supervisors agreed to this.

The meeting was adjourned at 9:30 P.M. The next meeting will be May 12, 1982 at the Greenmount Firehall.

May 12, 1982

The regular meeting of the Freedom Township Board of Supervisors was held May 12, 1982 at the Greenmount Firehall. Mr. John M Bigham and Mr. John J. Herr were present. Mr. Guy T. Gordon was absent due to illness. The meeting was called to order at 8:00 p.m.

The minutes of the April 14, 1982 meeting were accepted on motion of Mr. Herr, seconded by Mr. Bigham. Motion carried.

Mr. Herr made a motion to pay the bills. Mr. Bigham seconded the motion. Motion carried.

The Greenmount Fire Company presented the following report: January: 1-8-82 building fire at the tanor residence on chapel road, 1-9-82 chimney fire at the Hobbs residence on Bus. rt 15, 1/2 mile north of Greenmount, 1-20-82 propane tanker accident on Rt. 140 in Frederick County, MD, 1-21-82 House fire at the Hill residence on Mason Dixon Rd.; February--2-17-82 accident on U.S. Rt. 15 one mile north of Bus. Rt. 15, 2-28-82 stand-by at Hamitsburg's quarters; March - 3-2-82 house fire at the Patterson residence on Rohrbaugh Rd., 3-2-82 car fire on Middle Creek Rd., 3-14-82 stand by at Barlow, 3-26-82 barn fire at the Waybright residence on Mason Dixon Rd., 3-26-82 chimney fire at the Roach residence on Marsh Creek Rd., 3-29-82 brush fire at the Krantz residence behind firehall; April - 4-17-82 Accident on Bus. rt. 15; May - 5-7-82 car fire Bus Rt 15 N, 5-8-82 accident Bust Rt. 15 at Sheraton; 5-8-82 structure fire on Marsh Creek Rd., 5-1-82 automatic fire alarm at Ag Rotors on Bus. Rt. 15 a false alarm.

After discussion the supervisors passed the following resolution on motion of Mr. Herr seconded by Mr. Bigham: At the request of the Greenmount Fire Co. and to enable them to get reduced rates from Met Ed by being on a municipal rate, and in consideration of the Township being permitted to use the firehall for its monthly meetings, it is hereby resolved that the Township agree to notify Met Ed that they will guarantee payment of the electric bill in the event that the Fire Co. fails to pay; provided that Met Ed notifies the township of default within in 30 days after it occurs. As a condition of the Township making this guarantee, the Greenmount Fire Co. shall provide monthly proff of payment to the township and shall by motion of its Board of Directors agree to immediately reimburse the township in the event the township is called upon to pay Met Ed. This guarantee shall be subject to revocation upon 60 day notice to Met Ed. Motion carried.

A motion was made by Mr. Herr, seconded by Mr. Bigham that the time for receiving bids had passed the the Secretary was directed to open and read the bids that were received. Only one bid was received and the Supervisors but decided not to award the bid at this time.

Mrs. Nora Cullison and Jim Henry requested that the Board of Supervisors clean up Middle Creek Rd. Lately there has been increased dumping and loitering on this road. Supervisor Bigham agreed to contact Cumberland Twp. and ask that they increase their patrol on this road.

Roadmaster Herr reported that the contractor for Eugene La Rue has tracked mud onto the road and it is so heavy that it will interfere with the laying of the ID-2 wearing course. After discussion it was agreed that if Mr. LaRue and his contractor are unable to remove the dirt satisfactorily then Mr. LaRue will be notified by our attorney of his continuing responsibility.

There being no further business the meeting was adjourned at 9:30 p.m. The next meeting will be June 9, 1982.

June 9, 1982

The regular meeting of the Freedom Township Board of Supervisors was held June 9, 1982 at the Greenmount Firehall. Mr. John M. Bigham and Mr. John J. Herr were present. Mr. Guy T. Gordon was absent due to illness. The meeting was called to order at 8:00 p.m.

The minutes of the May 12, 1982 meeting were accepted on motion of Mr. Herr, seconded by Mr. Bigham. Motion carried.

Mr. Herr made a motion to pay the bills, Mr. Bigham seconded the motion. Motion carried.

Service Supply being the only bidder on oil was awarded the contract for 1982. E2 or E3 emulsion will cost \$.70 a gal. and Mc-30 Dust Oil will be \$.03 a gal. Total cost of contract \$9,430.00

Mr. Herr, Roadmaster reported that the multiflora roses on Natural Dam Rd. are out of control. He asked if Mason Dixon Dairy is agreeable to helping with the removal of same. The secretary was directed to let the bids for 850 tons ID - 2 Wearing Course (A.D.T. under 1000) F.O.B. Plant.

Mr. Robert Flank requested that a sign be ordered for Bullfrog Rd. He said he would be happy to put it up. Supervisors agreed to pay for the sign.

Mr. Jean Kipple of Bus. 15 across from the firehall brought to the Supervisors attention that Mr. & Mrs. Snaders have erected a garage only 5 1/2 feet from the property line. This occurred during the Spring & summer of 1978. It has presented a drainage problem and he asked what could be done about it. The Supervisors agreed to ask Mr. Campbell what can be done about the problem.

There being no further business the meeting was adjourned at 9:00 p.m.

A letter of resignation from Guy T. Gordon dated July 7, 1982 was received. The Resignation was accepted with regrets.

One bid for asphalt was received from Adams Count Asphalt. the Price was \$24. per ton F.O.B. plant and was accompanied by a bid bond for \$ 2,500.00. On motion of John Herr, seconded by John M. Bigham it was decided to award the contract to Adams County Asphalt.

A motion was made to tentatively approve the Ernest Schriver subdivision with the following reservations: (1) the right of way to be increased to 40 ft.; (2) lot # 3 cannot be further subdivided; (3) Attorney Campbell to draw up the correct terminology stating that lot #3 can only use the right of way. This motion was made by John Herr and seconded by John M. Bigham. Motion carried.

Mr. and Mr. Knorr discussed getting tentative Township approval to get on a township road with the planned driveway. On motion of John Herr, seconded by John M. Bigham it was given proved that all drainage requirement of the township are met. Motion carried.

A Subdivision of Wayne and Jacqueline Banahar for .322 acres(to be added to Francis Wenschof) was presented to the Board. Motion to accept by John Herr was seconded by John M. Bigham. Motion carried.

Jean Kipple attende the meeting was informed that the Township has not heard from Attory Campbell in regarding this problem.

John Bigham agreed to call Attory Cambell in regard to the property transfer of Thomas Greiber.

The thistle problem was discussed. John Bigham stated that all fields should be mowed with 16 days and violators will be prosecuted. Mr. Bigham will place an advertisement in the paper.

A representative from the Greenmount Fire Co. was at the meeting and stated that the municipal rate has not yet been applied to the firecompany electric bill.

Emergency planning was discussed. John Bigham stated that the township has not located a person for this position.

The Firecompany also asked for the telephone number of the Supervisors in case they need anti-skid applied at the scene of an accident.

Meeting was adjourned at 9:30 p.m. The next meeting to be held August 11, 1982

August 11, 1982

Greenmount Fire Company presented the following report: May-- (1) 5-7-82 a car fire on Bus. Rt. 15; (2) 5-7-82 an accident on Bus. Rt. 15 in front of the Sheraton; (3) 5-8-82 a house fire at the Witherow residence on Marsh Creek Rd. which was a false alarm; (4) 5-1-82 at ADT alarm at Ag Rotors which was a false alarm; (5) 5-17-82 an accident on US. Rt. 15 and (6) 5-19-82 a grass fire on Bus. Rt. 15 S.; June - (1) 6-1-82 an ADT alarm at Ag Rotors; (2) 6-6-82 an accident on US 15 south and (3) 6-27-82 a search detail on Marsh Creek Road; July - - (1) 7-7-82 a barn fire at the Brown residence on Red Rock Road; (2) 7-8-82 barn fire (rekindle) at the Brown farm; (3) 7-8-82 Brown barn rekindled again; and (4) a car fire at K & M Motors on Bus. Rt. 15 S.

The Planning Commission recommended to the Board of Supervisors that the Friends Creek Land Co. Inc. subdivision of Ernest Schriver be approved after the following deed restriction is made: any further subdivision of Lot #3 Middle Creek Manor must meet township and state road specification in regard to the road access. The subdivision consists of four lots. Lot #1 is 20.215 acres; Lot #2 is 20.103 acres; Lot #3 is 20.042 acres and Lot #4 is 20.082 acres. The supervisors approved the subdivision subject to the above additions and corrections.

The Chairman and Secretary inspected the properties in Freedom Township for noxious weeds on August 7, 1982. The list of properties that need to be mowed has been compiled. There is no township ordinance so enforcement will be under the state law.

Mr. Kipple returned to ask if the Board had any further word from their attorney concerning the Sanders garage that is too close to the property line. He asks if Mr. and Mrs. Sanders will be fined for the violation or will they be asked to remove the garage. Mr. Neth agreed to consult Mr. Campbell for an answer to this problem.

The Supervisors asked that a report from Cumberland Township for police activity be submitted.

The Roadmaster reported that the Middle Creek Rd. blacktop is almost complete. Boyle Rd. will be tarred and chipped also. That will complete the long term road projects for this year.

There being no further business the meeting was adjourned at 9:30 p.m. The next meeting will be held September 8, 1982.

September 8, 1982

The regular meeting of the Freedom Township Board of Supervisors was held September 8, 1981 at the Greenmount Firehall. Mr. John J. Herr and Mr. John M. Bigham welcomed Mr. Donald G. Mason as the new Supervisor. There being three supervisors present Chairman Bigham called the meeting to order at 8:00 p.m.

The minutes of the August 11, 1982 meeting were accepted on motion of Mr. Herr seconded by Mr. Bigham. Motion carried.

Mr. Herr made a motion to pay the bills, seconded by Mr. Mason. Motion carried.

Greenmount Fire Company presented the following report: (1) 8-17-82 a hayfield fire on Marsh Creek Rd; (2) 8-2-82 an accident on Bullfrog Rd.; (3) 8-26-82 a shed and hay fire at the Shorb Residence on Boyle Rd.

Roadmaster Herr presented the following report: A new pitman rad was purchased for the mower in preparation of the second mowing. These roads were improved:

1. Scott Rd. 1.4 mi of tar and chip.
2. Middle Creek Rd. 1 mi. of motor pave
3. Middle Creek Rd. .3 mi. of tar and chip
4. Boyle Rd. .5 mi of tar and chip
5. Boyle Rd. 100 yds. of motor pave on the hill
6. Gordon Rd. .7 mi. of side gutter opened.
7. Middle Creek Rd. .4 mi. if brush cut
8. Red Rock Rd. 200 yds. of tar and chip
9. McLaughlin Rd. .3 mi. of tar and chip

McLaughlin Rd. needs cement pipe to prevent washouts. Roadmaster Herr will check on the cost of purchasing pipe and installation. The clerk was directed to order two metal signs for Shorb's Mill Rd.

The clerk was granted permission to attend the Municipal Bookkeeping Workshop on September 14, 1982 at the Howard Johnson Motor Lodge in Gettysburg.

The problem with uncut weeds was further discussed. Mr. Neth called Thomas Piper, County Agent who referred him to a state official. The law has been passed by the state for weed control. But implementation and machinery for enforcement has not been set up. Tentative plans are that the complaint is made by the local government and sent to the State Committee who will notify violators to cut the noxious weeds but the township is responsible for getting payment for cutting the weeds if it needs to be done by the township. Mr. Neth stated that he felt a certified advisory letter should be sent to this years violators. Mr. Herr made a motion seconded by Mr. Mason that an advisory letter be prepared for approval by the Supervisors at the next meeting. Motion carried.

Mr. Simon Tullai was appointed Emergency Management Director to replace Mr. Shindledecker who passed away. Mr. Fox, county director will be so notified. Motion was made by Mr. Bigham, seconded by Mr. Herr. Motion carried. Mr. Tullai a former agent in charge of Alaska was felt to be well qualified for the appointment.

At the same time Mr. Tullai expressed an interest in the position of Constable. Mrs. Nath was directed to contact the county for the duties of the office and to find out how one is appointed.

The Gettysburg Jaycees will be conducting the 5th Annual Historic Gettysburg Marathon on September 18, 1982. A portion of the race will be over Freedom Township roads. Mr. Michael A. Staub is Chairman of the event and the local police have been notified.

On motion of Mr. Herr, seconded by Mr. Bigham the following statement was directed placed in the minutes in reply to Mr. Kipple:

The purpose of our subdivision ordinance is to protect the safety, health and general welfare of the citizens of Freedom Township.

1. The garage that Mr. Kipple states is in violation of the subdivision ordinance has been there for three years.
2. There was no objection made at the time the garage was built.
3. It does not appear to present any threat to the health, safety or general welfare to the public.

THEREFORE: The Supervisors do not feel that it is advisable to take any action at this time on this matter.
The motion was carried unanimously.

Mr. Bigham asked that Mr. Greiber be notified of the following violations: (1) unclosed deep probe perc sites; (2) no septic permit for the trailer; and (3) no permit for the placement of the trailer; (4) no driveway permit. Mr. Nath will investigate the procedure for notifying Mr. Greiber of the violations.

There being no further business the meeting was adjourned at 10 p.m. The next meeting will be held October 13, 1982.

October 13, 1982

The regular meeting of the Freedom Township Board of Supervisors was held September 8, 1982 at the Greenmount Firehall. All the Supervisors were present and the meeting was called to order at 8:00 p.m.

The minutes of the September 8, 1982 meeting were accepted on motion of Mr. Mason seconded by Mr. Herr. Motion carried.

Mr. Herr made a motion to pay the bills, seconded by Mr. Mason. Motion carried.

Mr. Herr, Roadmaster presented the following work report for September: Middle Creek Rd. brush was cut; Red Rock Rd. cut bushes; McLaughlin and Scriver Rd. Limbs were cut. Donald Rohrbaugh was injured with a chain saw and the accident will be reported to Nationwide. The cinder spreader to be installed before the November meeting.

Mr. Bigham asked if the Cumberland Township board had been notified that the Freedom Township Board of Supervisors wishes to have a monthly police report. Mrs. Neth stated that she had informally asked Mrs. Wilson to remind the police. Mr. Mason made a motion to send a formal letter to Cumberland Township requesting that a monthly police report be made. Mr. Herr seconded the motion. Motion carried.

Greenmount Fire Co. presented the following report for September:
 (1) 9-15-82 a furnace explosion at the Gettysburg Foundry along Bus. 15S.
 (2) 9-22-82 an accident in front of the firehall; and (3) a garage fire on the Irishtown Road in Maryland.

The annual convention of township officials will be held November 17, 1982 at 6:00 p.m. at the Centennial Firehall, Mount Pleasant Township. Mrs. Stambaugh requested that reservation be made one week prior to the meeting.

The Supervisors agreed to meet on October 18, 1982 at 8:30 a.m. for the October road inspection.

Mr. Simon Tullai informed the Board that the border sign between Freedom and Highland Township has been moved to the correct position on Camp Gettysburg Rd. The Supervisors thanked Mr. Tullai for his efforts to correct this inaccuracy.

Mr. Neth informed the Board that after talking with Cumberland Township he learned that a Flood Plain Ordinance is mandatory. The Supervisors asked for copies of the proposed ordinance to further review.

At the November meeting the Supervisors intend to pass a resolution to use the total State Liquid Fuel appropriation for maintenance. Also the Supervisors hope to pass the preliminary budget for 1983.

Mr. Neth has issued a driveway permit to Mr. Griebler. The deep probe pits are on the piece of property that was recently sold to Linda L. Plank. Mr. Neth asked Mr. Griebler if he could look at the placement of the trailer and Mr. Griebler showed to Mr. Neth the trailer. Mr. Neth reported that the trailer appears to have a sewage pipe into the ground and a large crop of high weeds but no surface water is in evidence.

There being no further business the meeting was adjourned at 9:00 p.m. The next meeting will be November 10, 1982.

November 10, 1982

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present and the meeting was called to order at 8:00 p.m.

The minutes of the October 13, 1982 meeting were accepted on Motion of Mr. Herr seconded by Mr. Mason. Motion carried.

Mr. Mason made a motion to pay the bills seconded by Mr. Herr. Motion carried.

At 8:15 P.M. Board recessed the regular monthly meeting for the purpose of holding a public hearing on the budget.

The Chairman of the Board of Supervisors of Freedom Township formerly declared the opening of the budget hearing advertised in the Gettysburg Times for this date at 8:00 P.M. at the Greenmount Firehall.

All the Supervisors were present. Comments on the Proposed Budget were reviewed as follows: Mr. John Lupp, a member of the Board of Adams County Council on Aging presented a letter asking for \$750.00 of the Revenue Sharing Funds be contributed to ACCA due to the federal cutbacks.

The Revenue Sharing allotment for fiscal '83 is \$5467. The Liquid Fuel Appropriation is expected to be \$19,631.47. and the anticipated revenue from Township is \$ 15,371. for a total budget of \$40,469. Reserves for 1983 are \$15,000. for total funds of \$55,469.47.

There being no further comments from the public, the hearing was adjourned at 8:45 p.m.

The regular monthly meeting of the Freedom Township Board of Supervisors was reconvened at 8:45 p.m.

Mr. Mason made a motion seconded by Mr. Herr that the proposed budget be adopted as presented. Motion carried.

Cumberland Township presented the following report: Total calls for January 1, 1982 to October 31, 1982 broken down as Criminal Investigations-24; Accidents investigated-10; Miscellaneous and service calls-39; Traffic arrests-8; and criminal arrests-10.

The Greenmount Fire Company presented the following report for October: (1) An accident on Bus. Rt. 15 and Confederate Avenue on 10-21-82; (2) a fire investigation on Bus. Rt. 15 at Hobbs Garage on 10-24-82 and (3) a smoke investigation on Middle Creek Rd. at the DeRiggs Residence on 10-28-82.

Mr. Herr, Roadmaster stated that trees and brush had been cut on McLaughlin Rd. Mr. Neth gave the Supervisors the signs that had been ordered and delivered. Mr. Bigham explained that the Oliver tractor had lost a clutch and was out for repairs. The Supervisors discussed the cost of making roads. Blacktop runs a minum of \$30,000. for a mile while tar and chip runs about \$3,500 a mile.

The Supervisors discussed the following possible violations: Mr. Rollison on Pumping Station Rd. who received a permit to join two mobile homes in one residence appears to have rented the second mobile home. Mr. Ernest Shriver needs driveway permits and to install pipe under his driveways. He will need 15 inch pipe for a total length of 16 feet. Mr. Claire Spriggs is again concerned about the chimney on the house very close to him on Bus. Rt. 15 s and Bullfrog Rd. Mr. Ronald Hagerman reported to Mr. Neth that Bob Wenschoff's garage on Bullfrog Rd. seems to have sewage being discharged from the garage. Mr. Mason is very concerned about the trailer on the Greiber property which to his knowledge has no septic facilities. Mr. Neth said he will investigate solutions for these problem

The Meeting was adjourned at 10:00 p.m. The next meeting will be December

December 8, 1982

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present and the meeting was called to order at 8:00 P.M.

The minutes of the November 10, 1982 meeting were accepted on motion of Mr. Mason seconded by Mr. Herr. Motion carried.

Mr. Herr made a motion to pay the bills, seconded by Mr. Mason. Motion carried.

TOTAL \$ 22,683.53

The Greenmount Fire Co. Presented the following report: (1) 11-7-82 a chimney fire at Glenn Plank residence on Bus. Rt. 15 at rear of firehall; (2) 11-7-82 an accident on U.S. 15, 1/4 mile north of Bus. Rt. 15; (3) 11-14-82 Standby at Barlow; (4) 11-27-82 Chimney fire at the Donald Leatherman Residence near the intersection of Boyle Rd. and Bus. Rt. 15; and (4) 11-29-82 a washdown at Bus. Rt. 15 at us rt. 15 at the scene of an accident.

The Supervisors discussed the absence of a police report. It seems that Cumberland Township is not able to give an oral report each month since the change in its organization. The Supervisors after discussion agreed that a mailed report would be satisfactory. Mrs. Neth will communicate this to Cumberland Township.

Mr. Herr reported that he had been contacted by the County to learn if our township wished to participate in the Gypsy Moth Program. There are about 50 acres affected in Freedom at a cost of \$100.00 total. The Supervisors agreed to participation in this program.

The Budget for 1983 was approved on motion of Mr. Herr seconded by Mr. Mason. Motion carried.

Mr. Richard Waybright of Mason Dixon Farms appeared to ask the supervisors if they had any negative feelings about using the methane digester to treat household sewage. Mr. Bigham felt he had no objection at this time. Mr. Mason agreed. At this time the supervisors agreed to tentative approval of this project subject to any further disapproval from Gettysburg Engineering.

Mr. Herr, Roadmaster, stated that the cinder spreader has been installed on the truck. The truck has been inspected. The supervisors voted to participate in the county sponsored program of giving to the townships road signs for each road that intersects with a state road. The motion was made by Mr. Herr and seconded by Mr. Mason.

Mr. George Rohrbaugh presented a letter through his attorney Catherine Gault stating he felt that the township had cut trees on his property and then removed the trees. Mr. Herr acknowledged that trees had been cut but that they were on the township right away and were endangering cars with low hanging limbs.

There being no further business the meeting was adjourned at 9:30 p.m. The next meeting will be held January 3, 1983 for the annual reorganizational meeting.

January 3, 1983

The organizational meeting of the Freedom Township Board of Supervisors was held at 8:00 P.m. at the Greenmount Firehall. All the Board members were present.

A motion was made by Mr. Herr, seconded by Mr. Mason to elect Mr. Bigham Chairman of the Board of Supervisors for 1983.

A motion was made by Mr. Mason, seconded by Mr. Herr to appoint Mr. Philip Neth as Secretary Treasurer of the Board for 1983.

A motion was made by Mr. Herr, seconded by Mr. Mason to hire Mrs. Barbara Neth as clerk of the Board for 1983.

A motion was made by Mr. Mason, seconded by Mr. Bigham to appoint Mr. Herr as Roadmaster for 1983.

A motion was made by Mr. Mason, seconded by Mr. Herr to appoint Mr. Bigham as Assistant Roadmaster for 1983.

A motion was made by Mr. Herr, seconded by Mr. Bigham to appoint Mr. Mason as Assistant Roadmaster for 1983.

A motion was made by Mr. Herr, seconded by Mr. Bigham to raise the pay of outside labor to \$4.30 an hour.

A motion was made by Mr. Mason, seconded by Mr. Herr to recommend to the Board of Auditors that the Supervisors wages be raised to \$5.35 an hour and \$25.00 a meeting.

A motion was made by Mr. Bigham, seconded by Mr. Herr to have Adams County National Bank continue to serve as our banking institution.

A motion was made by Mr. Herr, seconded by Mr. Mason to have Dean Shultz and Mr. Edward Mort to continue to serve as township engineers and administrators of Act 537.

A motion was made by Mr. Herr, seconded by Mr. Mason to continue the police contract with Cumberland Township.

A motion was made by Mr. Herr, seconded by Mr. Mason to renew the Public Official bond in the amount of \$25,000.

A motion was made by Mr. Mason, seconded by Mr. Herr to continue to hold regular meetings on the second Wednesday of each month at 8:00 p.m. at the Greenmount Firehall.

A motion was made by Mr. Herr, seconded by Mr. Mason to pay the Secretary an honorarium of \$100.00 per year.

A motion was made by Mr. Herr, seconded by Mr. Mason to continue to pay the Tax Collector at 5% discount, par and penalty.

Act 67, effective August 14, 1978 provided by the establishment of a Vacancy Board. The 1983 members of the Board are Mr. Mason, Mr. Herr, and Mr. Bigham. Mrs. Jean McNair as registered elector.

January 12, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present and the meeting was called to order at 8:00 p.m.

The minutes of the December 8, 1982 meeting were accepted on motion of Mr. Herr seconded by Mr. Mason. Motion carried.

Mr. Mason made a motion to pay the bills, seconded by Mr. Herr. Motion carried.

| TOTAL \$ 24,619.09 | | | | | |

The police report for the year 1982 is as follows: (1) Total calls-84; (2) Criminal Investigation-28; (3) Accidents investigated-14; (4) Miscellaneous and service calls-42; Traffic arrests-11; and (5) Criminal arrests-10.

The Greenmount Fire Company presented the following report for 1982: 46 total calls of which 5 were smoke investigations; 2 were A.D.T. alarms; 9 were structure fires; 3 were standbys; 1 search detail; 3 were car fires; 5 were chimney fires; 12 were accidents and 5 were brush fires; of the 46 calls were in Freedom Township, 17 calls in Cumberland Township; 4 calls in Maryland and 1 call in Mt. Joy Township.

Mr. Sterling Musselman explained to the supervisors that the rate for each years workmen's compensation insurance is based on population and a base rate which is determined by the state. This year the expected premium will be \$ 1,527.00

Mr. Ernest Schriver presented a subdivision of Friends Creek Land Co, Inc. on White's Ford Farms. Lot #5 to be subdivided into parcels. Lot # 2 to now contain 10.047 acres and Lot #5 to contain 10.056 acres. It was recommended by the Planning Commission to approve the subdivision. On motion of Mr. Herr seconded by Mr. Mason to approve this subdivision. Motion carried.

Mr. Schriver also applied for four driveway permits for Lots 1,3,4,2 and 5 of White's Ford Farm as recorded in Plat Book 37, page 38. He stated that he felt to install 15 in cement drainpipe would not solve any drainage problems. He preferred to create swales which he felt would carry the water off the road better. The supervisors agreed. The application for road permits were granted and after inspection by the Supervisors providing the swales meet there requirements the final permit will be granted.

The Supervisors on advise of Planning Commission agreed to study the Flood Plain Ordinance as drawn up by Mr. Campbell. It is hoped to advertise the ordinance for final passage by the March meeting.

There being no further business the meeting was adjourned at 10:00 p.m. The next meeting will be February 9, 1983.

February 9, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present and the meeting was called to order at 8:00 p.m.

The minutes of the January 12, 1983 meeting were accepted on motion of Mr. Mason seconded by Mr. Herr. Motion carried.

Mr. Herr made a motion to pay the bills, seconded by Mr. Mason. Motion carried.

Mr. Herr Roadmaster reported that the potholes on Natural Dam, Schriver and Bigham Roads were filled. It may be necessary to purchase a scraper blade similar to the one previously rented. The approximate cost would be around \$1000. The blade that was previously rented is no longer available.

Mr. Bigham suggested that a special meeting be called to have a hearing on the proposed Flood Plain Ordinance.

Mr. Herbert Rohrbaugh advised the Supervisors that Mr. Ed Krantz has an open septic tank. The lid is missing. This is the private road between the firehouse and Frank house. Mr. Rohrbaugh also stated that he feels the kitchen drain on Merle Adams property runs into the same field. Mr. Neth asked does this drainage follow the natural contours or is it lying in puddles. Mr. Rohrbaugh replied that the "sewage" is coming to the surface. Mr. Rohrbaugh was advised to advise Dean Schultz of Gettysburg Engineering and send a copy to the Township Board of Supervisors.

Greenmount Fire Co. presented the following report: (1) on January 13, 1983 there was a chimney fire at the Lightner residence; (2) on January 19, 1983 there was an engine transfer to Emmitsburg; and (3) on January 22, 1983 there was a chimney fire at the Keefer residence on the Taneytown Rd.

There being no further business the meeting was adjourned at 9:30 p.m. The next meeting will be March 9, 1983 at the Greenmount Firehall.

March 9, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present and the meeting was called to order at 8:00 p.m.

The minutes of the February 9, 1983 meeting were accepted on motion of Mr. Herr, seconded by Mr. Mason. Motion carried.

Mr. Mason made a motion to pay the bills, seconded by Mr. Herr. Motion carried.

Mr. Bigham presented to the Board the annual report from the Gettysburg Recreation Park.

Mr. Herr reported that during the storm the back axle on the dump was broken and needed to be repaired. All the roads were opened. Potholes were patched on Schriver, Natural Dam, McGlaughlin, Bigham, Rohrbaugh, and Dawn Roads. Part of Bigham Road was also stoned. The supervisors cut brush on Schriver, Bigham and McGlaughlin Roads.

The Supervisors agreed to let the stone bids to be awarded in April. There will be no change in the amount needed.

A resolution was passed on motion of Mr. Mason seconded by Mr. Herr to raise the fee schedule for Gettysburg Engineering. Motion carried.

The Contract was approved between the county and the township for the gypsy moth program of spray. Mr. Herr made the motion seconded by Mr. Mason. Motion carried.

The Supervisors voted on motion of Mr. Mason seconded by Mr. Herr to hold a special meeting on March 23, 1983 at 8:00 p.m. for the purpose of holding a hearing on the proposed Flood Plain Ordinance.

The Fire Report presented by the Greenmount Fire Co. is as follows: (1) on February 12, a house fire at Sixes Bridge Rd.; (2) on February 14, a second tanker was sent to fire on Sixes Bidge Rd.; (3) on February 16, at barn fire at the front of the Sheridan Inn; (4) on February 23, a structure fire in one of the rooms of the Sheridan Inn.

The fire company asked for signs to warn motorists of the presence of the fire hall on Bus. Rt. 15.

In other discussion by the supervisors it was suggested by Mr. Bigham that Scat Com be invited to the May meeting. The supervisors felt that they would have time to review the proposed agreement by that time. Mr. Herr & Mr. Bigham feel strongly that a township ordinance is need to make it mandatory for land owners to cut noxious weeds. A tentative ordinance was suggested by Mr. Mason that owners of rental units both mobile homes and houses be required to report to the township any status change. This could create more revenue.

There being no further business the meeting was adjourned at 10:00 p.m.

The next meeting will be the special meeting on March 23, 1983. The regularly scheduled meeting will be April 13, 1983.

March 23, 1983

The Freedom Township Board of Supervisors met in special session at the Greenmount Firehall at 8:00 p.m. Chairman Bigham and Supervisor Mason were present. Supervisor Herr was unable to attend due to illness. Mr. Campbell, township solicitor was also present.

The Supervisors reviewed the proposed ordinance with Mr. Campbell. They asked about the fee schedule for building permits. Mr. Campbell replied that the township may control the fees for permits. After discussion the Supervisors agreed to keep the same fee schedule as in the present ordinance.

Mr. Campbell explained to the Supervisors that the extraordinary measure in the ordinance will not be needed for all residences only those that are built on a flood plain.

The Supervisors asked Mr. Campbell to submit the ordinance to the State for review and suggestion or additions. If it is returned in time for the May meeting the Supervisors plan to adopt the ordinance then.

The meeting was adjourned at 9:30 p.m. The next meeting will be held on April 9, 1983 at 8:00 p.m.

April 12, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

The minutes of the March 9, 1983 meeting were accepted on motion of Mr. Mason, seconded by Mr. Herr. Motion carried.

Mr. Herr made a motion to pay the bills. Motion carried after being seconded by Mr. Mason.

Mr. Herr, Roadmaster presented the following report for April: The road inspection showed that the side gutters need to be cleaned to maintain the road surface of most of the township roads. After the inspection the roads that will be tarred and chip are Natural Dam Rd., Red Rock Rd. and McGlaughlin Rd. in front of Kellet's. The Supervisors during the month of March burned brush on Schriver, McGlaughlin and Bigham Rd. The side gutters were opened on McGlaughlin, Dawn Rd. Stone was spread on Bigham Rd, Schriver and Rohrbaugh Rd.

At 8:15 p.m. the bids were opened. After a through comparison of prices the stone bid was awarded to Genstar at the following amounts.

| QUANTITY | Description | Plant | Pickup | Spread |
|------------|-------------|------------|---------|--------|
| 1,000 tons | 2A | Gettysburg | \$ 3.35 | \$5.05 |
| 1,000 tons | 2 | Fairfield | 3.70 | 5.15 |
| 1,000 tons | 1B | Gettysburg | No Bid | |
| 1,000 tons | 1B | Fairfield | 4.30 | 5.75 |
| 1,000 tons | 2B | Gettysburg | 3.55 | 5.25 |
| 1,000 tons | 2b | Fairfield | 4.20 | 5.65 |

On motion of Mr. Herr, seconded by Mr. Mason the bid from Genstar was accepted. Motion carried unanimously.

Mr. Mason asked to attend a Road and Street Conference sponsored by DCA in Carlisle. On Motion of Mr. Herr, seconded by Mr. Bigham it was voted to allocate funds for the conference.

Mr. Neth requested permission and tuition for a conference to be held on Flood Plain Enforcement. The board voted unanimously to pay the tuition and grant Mr. Neth permission to attend.

Mr. Neth reported on his conference with Wayne Cluck, Supervisor of Cumberland Township on their experience on a weed control ordinance. Mr. Cluck said that his township only enforce the weed control on small suburban lots rather than large farms.

Mr. Coffelt asked if any progress had been made on obtaining signs to warn motorists of the presence of a firehall. Mr. Neth replied that he had called PennDot in Gettysburg and they had referred him to Charles Scott. Mr. Scott had not returned Mr. Neth's call. Mr. Coffelt then reported on Cumberland's efforts. He stated a letter was necessary to Mr. Robert R. Nueser, District Engineer. Mr. Neth said he would contact Mr. Nueser before the next meeting.

Mr. Mason made a motion seconded by Mr. Herr to purchase two chain saws from Dr. Medhi for \$325. Motion carried.

Mr. Neth & Mrs. Neth discussed with the supervisors the advisability of changing monies into money market accounts. After checking on interest rates and balance they advised the supervisors to continue investing money in the certificates of deposits and a regular savings account.

The Meeting was adjourned at 9:45 p.m. The next meeting to be held May 11, 1983.

May 11, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

The minutes of the April 12, 1983 meeting were accepted on motion of Mr. Mason seconded by Mr. Herr. Motion carried.

Mr. Mason made a motion to pay the bills. Motion carried after being seconded by Mr. Herr.

The fire calls for April were: (1) 4-18-83 a hazardous chemical spill on the Mason Dixon Dairy; (2) 4-26-83 a helicopter crash (2 people killed) on ridge Rd. the Murdock Property; and (3) 4-27-83 a truck was called to stand by at helicopter crash while the wreckage was being removed.

Mr. Neth reported his conversation with Susan Cool Gillespie about the mobile home which has been placed on her property. Ms. Gillespie said that the mobile home is not here and will not be occupied until proper facilities can be arranged. The Mr. Bigham made a motion seconded by Mr. Mason to send Ms. Cool a letter stating that the mobile home cannot be occupied until the proper sewage facilities are connected. Motion carried.

Mr. Neth also reported that Gus Lambros, Mrs. Angelaris's brother approached the township with a proposed subdivision of a house and seven acres leaving a remaining lot of 28.6 acres. Mr. Neth informed Mr. Lambros that the 28.6 acre piece must pass perc. The house is covered by pre-existing the sewage ordinance.

Mr. Richard Thoms leasing the service station at the intersection of Bus. rt.15 and U.S. RT. 15 appeared before the Board inquiring about the procedure for applying for a building permit for a mobile home which he wishes to remodel into a convenience store. His plan is to gut the mobile home and install shelves and large windows. He wishes to place it upon 8 piers imbedded 24" in the ground and to erect skirting and landscaping around the remodelled mobile home. After checking the subdivision ordinance the supervisors said that although it does not meet the requirement of a permanent foundation they will ask their solicitor Mr. Campbell if a variance can be granted for a one-year period. This mobile home is not to have any sewage facilities.

Mr. Herr presented the following road report: The brush was cut on Red Roack and Mc Laughlin Rds.; Stone ballast was spread on Boyle Rd.; and Potholes were patched on all road.

There being no further business the meeting was adjourned at 9:30 p.m. The next meeting will be held June 8, 1983

June 8, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

The minutes of the May 11, 1983 meeting were accepted on motion of Mr. Herr, seconded by Mr. Mason. Motion carried.

Mr. Herr made a motion to pay the bills. Motion carried after being seconded by Mr. Herr.

The fire calls for May were: (1) 5-8-83 a house fire on Knight Rd. assist Co. 22; (2) 5-15-83 an accident on Cunningham Rd., minor injuries; (3) 5-20-83 and accident on US RT 15 1/4 mile north of Bus. Rt. 15 a person killed and the road closed for 22 hours and at his call were personnel from Greenmount, Barlow, Emmitsburg and a helicopter was called to the scene.

On motion of Mr. Mason seconded by Mr. Herr the Flood Plain ordinance was approved. The ordinance has been reviewed by DCA. This is an ordinance requiring all persons, partnerships, businesses and corporations to obtain a building permit for any construction or development; providing for the issuance of such building permits; setting forth certain minimum requirements for new construction and development within areas of the township which are subject to flooding; and establishing penalties for any person who fails, or refuses to comply with the requirements or provisions of the ordinance.

The supervisors were advised that Ebbie M. Rollison again has a tenant in his second trailer. The building permit is for storage not occupancy. A registered letter will be sent to Mr. Rollison that if the trailer is not vacated within 30 days the matter will be referred to our attorney.

The Planning Commission recommended to the Supervisors that approval be given for a subdivision by Mary Angelaris. A seven acre subdivision consisting of a house and garage and existing septic system on Red Rock Rd. On motion of Mr. Mason seconded by Mr. Herr. The subdivision was approved. Motion carried. Another subdivision off the same farm was not approved because there were no soil test done for a sewer module.

Planning also recommended to the Board that variances be granted to Richard Thomas to locate the service station at the intersection of Bus. Rt. 15 and US. 15 to convert a mobile home into a mini mart. The variance is granted for one year. Another variance was issued to Alexander Peresada to erect a mobile home on his property on Waterworks Road. This installation is to be temporary for a period of two years and then either to be made permanent or to be removed. On motion of Mr. Herr, seconded by Mr. Mason the above variance were granted.

Mr. Herr, Roadmaster reported that all the potholes in the township were patched. The other work the crew is doing is clearing brush and opening side cutters.

There being no further business the meeting was adjourned at 9:35 p.m. The next meeting to be held on July 13, 1983.

July 7, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

The minutes of the June 8, 1983 meeting were accepted on motion of Mr. Mason, seconded by Mr. Herr. Motion carried.

Mr. Mason made a motion to pay the bills. Motion carried after being seconded by Mr. Herr.

The Greenmount Fire Company reported no fires for the month of June.

Approval was received from PennDot for the the erection of a fire company sign on Business Route 15. It will be ordered.

On Motion of Mr. Mason, seconded by Mr. Herr the budget for the Adams County Tax Agency was approved. Motion carried.

The supervisors discussed the need to repair the following road with tar and chip: Red Rock- 1 2/10 mi; schriver - 6/10 mi; Wenschoff - 4/10 mi; Bigham Rd- 2/10 McLaughlin Rd. - 5/10 mi also widen side gutter; and Gordon Rd spread dust oil. A total of 3 miles of tar and chip will be done. It is estimated that 5,000 gal of K-2 emulsion will be needed. The secretary was instructed to bid the material.

Mr. Bigham asked for an opion from the board on approaching Mr. Angelaris about purchasing the corner piece of Red Rock and Pumping Station Rd. Mr. Mason made a motion seconded by Mr. Herr to offer \$3,000 an acre for a 2 or 3 acre piece. Motion carried.

The supervisors also discussed that the scatcom proposal must still be considered.

There being no further business the meeting was adjourned at 9:45 p.m. The next meeting to be held on August 10, 1983.

August 10, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

The minutes of the July 7, 1983 meeting were accepted on motion of Mr. Herr seconded by Mr. Mason.

Mr. Herr made a motion to pay the bills. Motion carried after being seconded by Mr. Mason.

The Planning Commission recommended to the Board of Supervisors that the subdivision of Iftikhar J. Mehdi be approved. It is a subdivision of 10.00 acres of 28 acres from the original plot. The site is on T-318 McGlaughlin Rd. Mr. Mason made a motion to approve the subdivision which was seconded by Mr. Herr. Motion carried.

Mr. Mason made a motion seconded by Mr. Herr to enter into the following agreement with Mason Dixon Farms, Inc.: "This is an agreement to do bulldozing work for Freedom Township along the Natural Dam Road. Mason Dixon Farms assumes all responsibility for all liability for equipment and operator while on the right-of-way of Freedom Township. Mason Dixon Farms take no responsibility for any damage done to the road or the right-of-way." Motion was voted to approve by all the Supervisors.

The bid for road oils was opened at 8:15 p.m. There only being one bid, it was awarded to Service Supply, Inc. for 5000 gals of E-2 emulsion at .634 a gallon. Mr. Herr made a motion which was seconded by Mr. Mason. Motion carried.

Mr. Herr presented the following report for July: (1) McGlaughlin rd has the side gutters cleaned out and fence rows bulldozed total .03 mi.; (2) Bigham Rd. side gutters cleaned out about 50% completed for .04 mi.; (3) Red Rock Rd. fence row bulldozed out and cleared side gutter for .01 mi.; (4) Shriver Rd. fence rows dozed out for .05 mi.; (5) Rohrbaugh Rd. side gutters cleaned out .05 mi.; (6) Wenschhoff Rd. fence row dozed out for .25 mi.; (7) Natural Dam Rd. scheduled for .08 mi. of banks removed and side gutters to be cut and hauled away; and (8) Dawn Rd. side gutters cleaned and trees and banks cleared for .25 mi.

Mr. Overman made a presentation to the Supervisors on behalf of SCATCOM. After discussion it was agreed by the Supervisors to accept the franchise subject to review by the Township solicitor. It would be total township coverage and an exclusive franchise with the cost of advertising the ordinance to be paid for by SCATCOM.

There being no further business the meeting was adjourned at 9:40 p.m. The next meeting to be held September 14, 1983.

September 14, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

The minutes of the August 10, 1983 meeting were accepted on motion of Mr. Mason seconded by Mr. Herr. Motion carried.

Mr. Mason made a motion to pay the bills. Motion carried after being seconded by Mr. Herr.

Cumberland Township presented the following police report of activities from January 1, 1983 through July 31, 1983: (1) Total calls-37; (2) Burglary-1; (3) Theft-3; (4) Vandalism-3; (5) Alarms-3; (6) Traffic accidents-6; and (7) Miscellaneous-21.

The Greenmount Fire Company presented the following report for August and September: (1) 8-14-83 an accident on Business Rt. 15, 3 miles north of the Firehall; (2) 9-2-83 a fire at Battlefield Campground, 3 miles north of the Firehall and (3) 9-7-83 a silo fire at the Mason Dixon Dairy.

Mr. Herr presented the following report of road work for the month of August: (1) Shriver Rd. was tarred and chipped (1,000 gal. of oil); (2) Red Rock Rd. was tarred and chipped (3,000 gal. of oil); (3) Natural Dam Rd. the old surface was re-tarred and chipped and the hill at Cumberland Township's end has been tarred and chipped (3,500 gal. of oil); (4) Bigham Rd. the big dirt hill across from New Dawn has been tarred and chipped (1,200 gal. of oil); McLaughlin Rd. pie crusts were treated in front of Branch's, Weakland's and Horoschak (1,250 gal. of oil); (6) Wenschhoff Rd. No. 2 stones applied then oiled and chipped and tarred twice (1,250 gal. of oil); (7) Boyle Rd. has No. 2 stones applied, oiled, then tarred and chipped twice (3,700 gal. of oil) (8) Shorb Mill Rd. 42 ton of crusher run applied for pot holes and other needed repairs; and (9) McLaughlin Rd. small side gutters in front of Shapiro's were cleaned out.

Mr. Bigham reported that he and Mr. Mason were in contact with Mr. Angelaris's representative concerning the purchase of a three acre piece of property on the corner of Red Rock Rd. There was no discussion of price.

Mr. Mason stated that Mr. Greiber on McLaughlin Rd. has started an addition to his house. Mr. Mason asked if a building permit has been obtained. Mr. Neth replied "no". Since Mr. Campbell was present he was asked by Mr. Bigham what is the proper procedure in cases like this. Mr. Campbell then stated that it is the permit officers duty to inspect any construction. If a violation has occurred then the township should send a letter to the property owner who has not applied for a permit informing him that a permit is necessary in order to avoid fines and costs. If the property owner does not comply, then the township solicitor is to be notified and the correct legal steps taken to bring the property owner in compliance with the building permit ordinance.

Mr. Neth said that Martin P. Anchor asked about the mobile home on Sue Tracey's property on Gordon Rd. Mr. Neth stated he went out and inspected the trailer which is unoccupied although an electric extension cord has been run to provide lights for clean up work.

Mr. Herr made a motion to approve the spraying of gypsy moth infested areas in Freedom Township. Mr. Mason seconded the motion. If the cost is similar to this year (1983) it will be paid entirely by the township. At present it is \$1.00 an acre.

Act 32 amends the Pennsylvania Vehicle code and under its provision PennDot has six months to compile a list of roads to be transferred. PennDot is then to notify the municipality but no transfer of roads may occur unless the municipality agrees to accept the road. If repairs are needed they will be done after mutual agreement. One year after the road is transferred a municipality will begin receiving an annual maintenance payment of \$2,500 per mile of road. Such roads are not eligible for liquid fuel monies and may not be included in the liquid fuel allocation formula.

Mr. Campbell was present at the meeting for the purpose of discussing with the Supervisors the SCATCOM agreement which will need to be passed as an ordinance. Mr. Campbell said that the 3% of gross receipts will be the fee paid by SCATCOM. Mr. Campbell included a clause in the agreement to the effect that if an exclusive agreement is declared null and void by the Congress then this agreement will be the same. After some discussion Mr. Bigham made a motion to advertise the revised ordinance for adoption at the October meeting. Mr. Mason seconded the motion. Motion carried.

Mr. Richard Waybright had called Mr. Neth to inquire if there was any action on his plan to add effluent from twelve houses to the methane digester. Last month the Supervisors had agreed to the action in principle. But after closer review of the presentation it was noted that a proper subdivision will need to be prepared. All roads and setback requirements will need to be met before the resolution can be approved.

The Supervisors received a request from Attorney McQuaide representing Francis Wenschhoff. A 14.036 acre subdivision of Robert Wenschhoff had been approved by the Supervisors on August 10, 1977. Since the subdivision was never recorded within the required time the subdivision is null and void. A plat of the subdivision was presented. It was requested that the present supervisors approve and sign this subdivision. Mr. Mason made a motion, seconded by Mr. Herr in which they agreed to verify that approval of the subdivision had been made August 10, 1977 as evidenced by the minutes of that meeting and signatures on the plat. Motion carried.

There being no further business the meeting was adjourned at 9:40 p.m.

October 12, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall on October 12, 1983. All the Supervisors were present.

The minutes of the September 14, 1983 meeting were accepted on motion of Mr. Herr seconded by Mr. Mason. Motion carried.

Mr. Herr made a motion to pay the bills. Motion carried after being seconded by Mr. Mason.

The Greenmount Fire Company presented the following report for September:
 (1) two accidents at the bridge on the interchange; (2) a haystack fire at Hagarman's farm on Cunningham Rd. and (3) a corn field fire on Boyle Rd.

At the 8:15 P.M., the Freedom Township Board of Supervisors recessed the regular monthly meeting for the purpose of holding a public hearing on the budget. Mr. Bigham, Chair of the Supervisors declared the opening of the budget hearing advertised in the Gettysburg Times for this date at 8:45 P.M. in the Greenmount Firehall. All the Supervisors were present.

Comments on the proposed budget were reviewed as follows:
 Mr. Steven Niebler, director of Adams County Office of Aging appeared to ask the Board for a continuation of support and report that three Freedom Township residents were served at a cost of over \$2,000 per participant.

Mrs. Neth presented the request from the Adams County Library System. The Gettysburg Area Department of Recreation presented a request for funds and a report that stated 11 of the participants were from Freedom Township. There being no further comments from the public, the hearing was adjourned at 8:45 P.M. The regular monthly meeting of the Freedom Township Board of Supervisors was reconvened at 8:45 P.M.

Mr. Campbell was present to review for the Supervisors the SCATCOM agreement before passage. Mr. Campbell stated that the township can control where the lines are run and control damage to roads. The agreement pledges 3% of gross revenues to the Township after five years. On motion of Mr. Mason, seconded by Mr. Herr the ordinance known as 83-2 be adopted. An ordinance of Freedom Township, granting to SCATCOM, Inc., its successors and assigns, the right and authority to construct, acquire, maintain and operate a community antenna television system in Freedom Township, granting to SCATCOM, Inc. the right and authority to sell community antenna television service to persons, firms, organizations and corporations located within Freedom Township; granting to SCATCOM, Inc. the right and authority to use and occupy the streets, alleys, public places and public ways in Freedom Township; and establishing the terms and conditions of the granting of such rights.

Mr. Bigham voted aye; Mr. Herr voted aye; and Mr. Mason voted aye. Motion carried.

After some discussion it was agreed on motion of Mr. Mason seconded by Mr. Herr to refuse the approval of the Robert Wenschhoff subdivision conveying to Francis Wenschhoff a 1 acre lot, 11.748 acres to Jacquelyn M. Wenschhoff Baugher, and 1.266 acres to Fred Welty. Motion passed. Mr. Campbell was directed to write a letter to Mr. Francis H. Wenschhoff directing him to follow these three procedures.

(1) Mr. Wenschhoff will have to have the township Sewage Enforcement Officer, Dean Shultz, perform a perc test in the area immediately adjacent to the existing, but illegal septic system that apparently is serving the premises. If the lot passes a test at that location, the subdivision can be approved provided there is an agreement executed between Mr. Wenschhoff and the buyer of the property to the effect that if the system malfunctions, neither Mr. Wenschhoff or his heirs and assigns will hold the township liable and also that Mr. Wenschhoff or his heirs or assigns will agree to immediately repair any malfunction. This agreement would have to be entered in record prior to any conveyance of the real estate.

(2) If the site does not pass for a conventional system, but would pass for a sand mound, then Mr. Wenschhoff must immediately install a sand mound and connect the present system to it.

(3) If the adjoining area does not pass for any type of system, then the house also known as a cabin will have to be disconnected from the system and removed from the premises.

There being no further discussion or business to be brought before the Board the meeting was declared adjourned at 9:30 P.M.

November 9, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall on November 9, 1983. All the Supervisors were present.

The minutes of the October 12, 1983 meeting were accepted on motion of Mr. Mason seconded by Mr. Herr. Motion carried.

Mr. Mason made a motion to pay the bills. Motion carried after being seconded by Mr. Herr.

The Greenmount Fire Company responded to one call a mutual aid to a barn burning at the Hamner Farm.

At 8:15 P.M. the Freedom Township Board of Supervisors recessed the regular monthly meeting for the purpose of holding a public hearing on the budget. Mr. Bigham Chairman of the Supervisors declared the opening of the budget hearing. All the Supervisors were present. The Supervisors agreed to make the following contributions for 1984: (1) The Greenmount Fire Company to receive \$500.; (2) The Adams County Library System \$100.00; The S.P.C.A. \$50.00; and the Adams County Office of Aging \$100.00

The Township projected figures are \$15,000. in reserve, \$29,424. Income and Expenditures of \$40,338. giving a surplus of \$4,086.

The State projected figures are \$1,000 in reserve, \$20,011. income from liquid fuel and expenditures of \$18,000. giving a surplus of \$3,011.

The Revenue Sharing projected figures are \$12,126. in reserve, income \$5,467 and expenditures of \$1,600. giving a surplus of \$15,993.

Freedom Township in 1984 expects to spend \$40,338 in Township funds, \$18,000 in State funds and \$16,600 in Revenue Sharing funds for a total budget amount of \$59,988.

There being no further comments from the public, the hearing was adjourned at 8:30 P.M. The regular monthly meeting of the Freedom Township Board of Supervisors was reconvened at 8:30 p.m.

The Freedom Township Planning Commission recommended approval on a two lot subdivision of Fran B.Jr. and Rebecca A. Darcey on Bullfrog Rd. Lot 1 contains 33.087 acres and lot 2 contains 37.272 acres. Lot 1 has been approved for 2 perc sites and lot 2 is to be retained by the owner who is an adjoiner and may not be sold in the future as a separate tract unless it meets all requirements. On motion of Mr. Mason seconded by Mr. Herr the subdivision was approved. Motion carried.

To date there has been no response from Mr. Francis "Jim" Wenschhof on the piece of property on which he has placed a house without an approved septic system.

Mr. Neth informed the Supervisors that all vehicles including tractors must be licensed. He will become informed as to the correct procedure to follow.

The Freedom Township Board of Supervisors inspected the township roads in the mandated semi annual inspection on October 10, 1983. The projected projects for 1984 are to place big drainage pipes on Plum Run under McGlaughlin Rd. (2) Gordon Rd. will need new side gutters; (3) Natural Dam Rd. will need the side gutters lined with ballast stone; (4) Shorb Mill Rd. need a French Drain to carry off surface water; and there was discussion about vacating Old Boyle Rd. The work done by the Supervisors during October was burning brush on all township roads, on Middle Creek trees were removed that were blown down by the storm; patched potholes on Gordon Rd. and scraped Bigham and McGlaughlin Roads.

There being no further business to be brought before the Board the meeting was declared adjourned at 9:20 P.M.

December 14, 1983

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Fire hall on December 14, 1983. All the Supervisors were present.

Minutes of the November 9, 1983 meeting were accepted on a motion of Mr. Herr seconded by Mr. Mason. Motion carried.

Mr. Mason made a motion to pay the bills. Motion carried after being seconded by Mr. Herr.

The Greenmount Fire Company responded to one call for the month of November at the home of John Kriholts. It was a chimney fire due to soot build up

The Cumberland Township Police Department presented the following report for November: (1) Total calls for the month 7; (2) Criminal Mischief-1; (3) Domestic Complaint-2; (4) Information-3; and (5) Traffic Accident-1.

The report for October is as follows: (1) Total calls for the month-19; (2) Theft-1; (3) Criminal Mischief-1; (4) Domestic Complaints-12; (5) Alarms-2; (6) Traffic Accidents-1; (7) Motorist Assistance-2; (8) Traffic arrests-1; and Criminal Arrest-0.

At 8:15 P.M. the Freedom Township Board of Supervisors recessed the regular monthly meeting of the Board for the purpose of holding a public hearing on the budget. Mr. Bigham, Chairman of the Supervisors declared the opening of the budget hearing. All the Supervisors were present. Freedom Township budgeted \$40,388 in township funds, \$18,000 in state funds and \$1,600 in revenue sharing for a total budget of \$59,988. There being no comment from the public the budget was passed as presented on motion of Mr. Herr seconded by Mr. Mason. The hearing was adjourned at 8:20 P.M. The regular monthly meeting of the Freedom Township Board of Supervisors was reconvened at 8:20 P.M.

The Board of Supervisors voted to raise the penalty to 10% and continue at 2% discount. The motion was made by Mr. Mason seconded by Mr. Herr. Motion carried. The County will be informed so that the tax duplicate can be printed correctly.

Mr. Herr, Roadmaster presented the following report: stone was spread on McLaughlin and Schriver Roads; if the roads dry out they need to be scraped. Mr. Bigham suggested that long posts be inserted at each end of the culverts so that when plowing snow they are marked.

On motion of Mr. Mason seconded by Mr. Bigham it was voted to refer the Rollison problem to Mr. Campbell. It was further agreed to pursue this matter through the courts if necessary.

Mr. Herr made a motion seconded by Mr. Mason to participate in the soil overlay and computer model study as prepared by the Adams County Soil Conservation service. Motion carried.

The reorganizational meeting will be held on Tuesday, January 3, 1983 at 7:00 P.M.

There being no further business to be brought before the Board the meeting was declared adjourned at 9:20 P.M.

January 3, 1984

The organizational meeting of the Freedom Township Board of Supervisors was held at 8:00 p.m. at the Greenmount Firehall. All the Board members were present.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to elect Mr. Mason Chairman of the Board of Supervisors for 1984.

A motion was made by Mr. Gordon, seconded by Mr. Mason to elect Mr. Bigham Vice Chairman of the Board of Supervisors for 1984.

A motion was made by Mr. Bigham seconded by Mr. Mason to appoint Mr. Philip Meth as Secretary Treasurer of the Board of Supervisors for 1984.

A motion was made by Mr. Mason, seconded by Mr. Bigham to hire Mrs. Barbara Meth as clerk of the Board of Supervisors for 1984.

A motion was made by Mr. Mason, seconded by Mr. Gordon to appoint Mr. Bigham as Roadmaster for 1984.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to appoint Mr. Mason as Assistant Roadmaster for 1984.

A motion was made by Mr. Mason, seconded by Mr. Bigham to appoint Mr. Gordon as Assistant Roadmaster for 1984.

A motion was made by Mr. Mason, seconded by Mr. Gordon to raise the pay of outside labor to \$4.50 an hour.

A motion was made by Mr. Bigham, seconded by Mr. Mason to recommend to the Board of Auditors that the Supervisors wages be raised to \$6.00 an hour and \$25.00 a meeting.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to have the Adams County National Bank continue to serve as our banking institution.

A motion was made by Mr. Gordon, seconded by Mr. Mason to have Dean Shultz and Mr. Edward Mort to continue as township engineers and administrators of Act 537.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to continue the police contract with Cumberland Township.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to renew the Public Official bond in the amount of \$35,000.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to continue to hold regular meetings on the second Wednesday of each month at 8:00 p.m. at the Greenmount Firehall.

A motion was made by Mr. Bigham, seconded by Mr. Mason to pay the Secretary an honorarium of \$200.00 per year.

A motion was made by Mr. Gordon, seconded by Mr. Mason to continue to pay the Tax Collector at 5% discount, par and penalty.

Act 67, effective August 14, 1978 provided for the establishment of a Vacancy Board. The 1984 members of the Board are Mr. Mason, Mr. Gordon, and Mr. Bigham. Mrs. Jean McNair is appointed as registered elector.

January 11, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall on January 11, 1984. All the Supervisors were present.

Minutes of the December 14, 1983 meeting were accepted on motion of Mr. Bigham seconded by Mr. Gordon.

Mr. Gordon made a motion to pay the bills. Motion carried after being seconded by Mr. Bigham.

The Cumberland Township Police Department presented the following report for December: (1) Total calls for the month - 14; (2) Domestic complaints - 3; (3) Vandalism - 1; (4) Information -2; (5) Assist to other departments -1; and (6) Motor vehicle accidents - 7.

The Greenmount Fire Company presented the 1983 report. There were 32 calls of which 3 were chimney fires, 2 standbys, 3 brush fires, 1 tanker assist, 1 ADT alarm, 2 barn fires (1 assist with Barlow), 4 structure fires (2 calls to assist Barlow and 1 call for mutual aid to Emmitsburg), 9 auto accidents (1 heart attack victim), 1 hazardous material call, 1 helicopter crash; 1 tractorfire, 1 controlled burning, 1 camper fire, 1 haystack fire, and 1 smoke investigation. An average of 16 members per call turned out. The Firefighter of the year was Douglas Noel. Thirteen calls were in Freedom Township, fifteen calls in Cumberland Township and four calls in Maryland. The fire company purchased one portable pump cable of 380 galls per minute.

Mr. Herr, outgoing Roadmaster, reported that during the month of December cinders were spread on all roads during the ice storm and time was spent repairing the cinder spreader. Cinders and anti-skid are being purchased from Cumberland Township. The signs were delivered but no posts were included. Mr Bigham said that he will contact Service Supply for the posts.

The plans for 1984 are to re-tar Scott Road and McGlaughlin Road. Mr. Scott from PennDot will be contacted to plan the culverts that are necessary for under Plum Run on McGlaughlin Road.

The State sent a map of roads for proposed turnback. The roads are Bullfrog Road from Business 15 to the intersection at Miller's Town Road, Old 15 from the bypass bridge south, Mason Dixon Road, Camp Gettysburg, Road and Cunningham Road. If all the roads are taken back Freedom Township would gain 18.22 miles of roads to add to the present 14.20 miles. The total miles of road Freedom Township would be responsible for would be 32.42 miles. The state has a subsidy program of \$2,500 per mile after two years but no liquid fuel money for the turned back roads.

There being no further business to be brought before the Board of Supervisors the meeting was declared adjourned at 9:00 p.m.

February 8, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall on February 8, 1984. All the Supervisors were present.

Minutes of the January 11, 1984 meeting were accepted on motion of Mr. Gordon, seconded by Mr. Bigham.

Mr. Bigham made a motion to pay the bills. Motion carried after being seconded by Mr. Gordon.

Mr. Bigham, Roadmaster reported that during the month of January snow was removed and anti-skid was spread. The plow purchased from Cumberland Township performed satisfactorily. The old plow should be sold. On motion of Mr. Bigham, seconded by Mr. Gordon the old plow with hydraulic the price for the complete unit is a minimum of \$400.00. Motion carried.

A letter was received from the state again suggesting that the road that the state wishes to turnback to the local governments should be discussed with Mr. Muesser of PennDot. The highway department would favor 20% of the roads being accepted by the township each year.

Mr. Mason had been in contact with Dr. Ohl owner of the property where the former McCleary Schoolhouse stood on Tavern Rd. Dr. Ohl was not interested in donating the front corner but would consider a piece in the back off the main road but on the township road. Mr. Bigham and Mr. Mason examined the piece of property offered but stated that the site is usually wet and they felt it would not suit the township needs. The Supervisors will still search for a suitable site for a township building.

Mr. M. Bergdale of the Bergdale Agency presented an insurance quote for all township policies. The blanket municipality general liability at \$580. would remain the same. Automobile liability and physical damage coverage and the companion policy of inland marine would cost \$1,090. The present cost of coverage for the vehicles is \$1048. The workmen's compensation for 1984 will cost \$2,056 with Nationwide or \$1660. with the coverage recommended by Mr. Bergdale. On motion of Mr. Bigham, seconded by Mr. Gordon the policy of Mr. Bergdale's company was chosen as the carrier of the workmen's compensation carrier. Motion carried.

The meeting was declared adjourned at 9:30 p.m. by Mr. Mason. The next meeting to be held March 14, 1984.

March 14, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

Minutes of the February 8, 1984 meeting were accepted as read on motion of Mr. Gordon, seconded by Mr. Bigham.

Mr. Gordon made a motion to pay the bills. Motion carried after being seconded by Mr. Bigham.

Mr. Bergdale delivered the Workmen's Compensation policy. He explained that the present Errors and Omission policy has personal injury included but personal injury can be in the package that Mr. Bergdale is recommending at a savings of \$60.00. A cost comparison of the present Nationwide policy and E & O equals \$3500. If the coverage is through the Bergdale Agency the vehicles and E & O would be \$3100. Since there is a saving Mr. Bigham made a motion to cancel the existing coverage of the vehicles with Nationwide and the E & O with McCoy take complete coverage with Mr. Bergdale. Mr. Gordon seconded the motion. Motion carried.

The fire company report for January is as follows: 1-11-84, a barn fire at the Mason Dixon Dairy; 1-13-84, a barn fire on Old Frederick Rd.; 1-14-84, an accident south of the Firehall on Business Route 15; 1-17-84, a chimney fire at the Moore Residence on Knight Rd.; 1-19-84, a house fire on Blacksmith Shop Rd.; 1-21-84, an accident on Business Route 14, one mile south of the Firehall; 1-21-84, a furnace fire at the Plank Residence on the Barlow Greenmount Rd.; 1-23-84, a dust collector fire at the Gettysburg Foundry; 1-24-84, a house fire on the Hampton Valley Rd.

The fire company report for February is as follows; 2-1-84, a chimney fire at the James Riley Residence on Business Route 14 north; 2-9-84, a house fire at the Holder Residence on Boyle Rd.; 2-14-84, a car fire at the Hillside Inn on Business Route 15 south; 2-26-84, a chimney fire at the Al Sebold residence on Business Route 15 south; 2-28-84, a trailer fire at the Shorb Residence on Pumping Station Rd.

Mr. Bigham, Roadmaster presented the following report for February: Due to the heavy rain in this month 38 trucks of stone were used on Scott, McLaughlin, Bigham, Natural Dam, Shriver, Rohrbaugh, Shorb Mill and Gordon Roads. It was necessary to install steel markers at culverts and dangerous drops on Natural Dam, Middle Creek and Rohrbaugh Roads. Mr. Bigham said he called Mr. Shultz about the pipes and plans needed to be installed on McLaughlin Road over Plum Run. Mr. Shultz will prepare a plan and present it to the proper authorities and approval will be obtained before work is begun.

The Supervisors directed the advertising of bids for stone. The contract to be awarded at the April Meeting.

There being no further business the meeting was adjourned at 9:30 p.m. The next meeting will be held April 11, 1984 at the Greenmount Firehall.

April 11, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present.

Minutes of the March 14, 1984 meeting were accepted as read on motion of Mr. Bigham, seconded by Mr. Gordon.

Mr. Bigham made a motion to pay the bills. Motion carried after being seconded by Mr. Gordon.

The police report is as follows: (1) Total calls for February-3; (2) Domestic complaints - 2; and (3) Motorists assistance - 1; (4) Total calls for March - 7; (5) Domestic complaints - 2; Traffic accidents- 2; (6) Vandalism -2; and (7) information-

Mr. Bigham presented the following report. During the month of March the roads were plowed once and additional posts installed at culverts. The road inspection is set for Monday, April 16, 1984.

The bids for stone were opened at 8:15 p.m. There being only one bid it was awarded to Valley Quarries.

| Quantity | Desc. | Plant | Pickup | Spread |
|------------|-------|------------|---------|---------|
| 1,000 tons | 2A | Gettysburg | \$ 3.60 | \$ 5.30 |
| 1,000 tons | 2A | Fairfield | 4.35 | 5.80 |
| 1,000 tons | 2 | Gettysburg | 3.75 | 5.45 |

| 1,000 tons | 2B | Gettysburg | 3.75 | 5.45 |
| 1,000 tons | 2B | Fairfield | 4.70 | 6.15 |

On motion of Mr. Bigham, seconded by Mr. Gordon the above prices were approved. Motion carried.

Barry Sease of the Cumberland Township Police Department asked if they could proceed against Ebbie Rollison on Pumping Station Road. There have been numerous domestic complaints in the past year. The Supervisors also directed Mr. Neth to contact Mr. Campbell, the solicitor to proceed against Mr. Rollison for renting the adjoined trailer. The building permit was issued for storage or a one family dwelling in conjunction with the first mobile home.

Mrs. Victoria Greenlee sent a letter to Mr. Bigham a letter calling to the Boards attention the condition of the property on the corner of Bullfrog and Pumping Station Roads. The property in her opinion is littered with junked cars and she feels that it detracts from her adjacent property. The Supervisors will visit the property and make an inspection and proceed as needed.

Mr. Bergdale presented the policies and stated that he pro rated the premium due until December. This makes it possible to set up a monthly payment schedule if needed.

There being no further business the Freedom Township Board of Supervisors adjourned the meeting at 9:30 p.m. The next meeting will be held May 9, 1984.

May 9, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:30 P.M.

Minutes of the April 11, 1984 meeting were accepted as read on motion of Mr. Gordon, seconded by Mr. Bigham. Motion carried.

Mr. Gordon made a motion to pay the bills. Motion carried after being seconded by Mr. Bigham.

Cumberland Township presented the following report for April: (1) Total calls for the month - 5; (2) Domestic Complaints - 2; (3) traffic Accidents - 2; and (4) Information - 1.

The following subdivisions were approved. Allen W. and Teresa G. Plank presented a subdivision on Bullfrog Road. The site is 2.5 acres on both sides of the road. The 31,388 sq. ft. (Lot 1) section with a house and septic system installed before passage of the Pa. Sewage Facilities Act is to be sold to Frank B. Jr. and Rebecca Ann Darcy with the provision that it may not be sold in the future as a separate lot unless it meets all requirements. The remainder, Lot 2, on the other side of the road to be retained by the Planks and will become an integral part of the property, and may not be sold in the future as a separate lot unless it meets all the necessary requirements. On motion of Mr. Bigham, seconded by Mr. Gordon the final subdivision was approved as presented. Motion carried.

The subdivision of Frank B. Jr. and Rebecca Ann Darcy was approved on motion of Mr. Gordon, seconded by Mr. Bigham. Motion carried. A farm presently containing 58 acres on Bullfrog Road (LR 01025) is to be subdivided into two lots. Lot 1 has 13.391 acres, with a house and existing septic system. Lot 2 of 44 acres which remain are to be used for agricultural purposes unless the appropriate permits are obtained and soil tests conducted.

Mason Dixon Farms presented a sketch plan for ten more homesites on Harper Hill. Water and sewage to be provided by the Corporation. The Planning Commission forwarded it to the Supervisors with these statements; (1) the development can not be sold separately from the corporation and the township will never take over the road. Mr. Neth stated on advice of Mr. Campbell, solicitor, an agreement will need to be worked out between Mason Dixon and Freedom Township before final approval can be given. The agreement will need to take into consideration the subdivision ordinance and meet all requirements of DER.

The Planning Commission forwarded the New Dawn proposal to the Supervisors for consideration. The Catholic Diocese of Harrisburg proposes a package treatment plant and 29 tent sites for the camp. Present were Mrs. Christine Kellet, Mr. and Mrs. Delton Bushey appearing on behalf of Harry Scott, Mr. and Mrs. Allen Boroshak, Mr. James Bigham, Mr. and Mrs. Roy Coldsmith and Mr. Barry Singley. Mr. Neth explained that there have been complaints of odors from the camp and this was referred to Dean Shultz SBO, who referred the Township directly to DER. The existing system is not satisfactory. The treatment plant is proposed due to poor soil conditions which preclude subsurface disposal of wastewater. The township citizens present had many concerns. They were: (1) The discharge of effluent into, what in the opinion of Mr. and Mrs. Coldsmith, is a wet water flow only; (2) The possible concentration of detergent, which is very difficult to remove, can be harmful according to Mr. Bigham's veterinarian. Mr. Bigham is an adjoining landowner through whose farm the effluent will directly flow; (3) Mr. Singley was most concerned about the type of setback proposed for the campsites and he and Mr. Coldsmith enquired if there was a campground ordinance in the township; (4) Mrs. Kellet expressed her concern for the number of campers proposed at each campsite and suggested an agreement may be needed to clarify the placement of sites and number of campers at each site; and (5) Mr. Singley said he was concerned about the water table. He asked where was the additional water to come from to operate the proposed plant.

After listening to the concerns of all those present the Board decided to return the proposal to New Dawn's engineer Michael Baker, Jr. for additional information.

Mr. Thomas L. Greiber, represented by his attorney Kenneth Rotz presented to the Board a 20.069 acre subdivision on McLaughlin Road showing a horse arena, mobile home and existing septic system. Mr. Neth presented a letter he had written Mr. Greiber stating that no appropriate permits had been obtained for the mobile home or septic system. Also research at the Adams County Board of Assessment shows there never was a mobile home on the tax rolls for this property. The Township is in receipt of a letter from Mr. Shultz, SEO in which Mr. Greiber stated that the mobile home was on the property when it was purchased. If this is not the case and the mobile home and septic system was placed in the last several years then the plan should not be approved, continued Mr. Shultz's letter. The Planning Commission was unable to agree on the proper course of action and so referred it to the Supervisors.

Mr. Rotz stated that the mobile home with its present system was on the property when Mr. Greiber bought it from Mr. Henry Carbaugh in 1968. He presented a letter from Sally Lohman, Assistant Adams County Planner stating that in the aerial views 4-66C and 4-66D she found the following: (1) Along the right-of way, approximately 300 feet southeast of the barn (as indicated on Greiber's subdivision plan of March 2, 1984) there is an object having the approximate dimension of 10' by 35' which may be the mobile home and (2) Closer inspection with optical aids does not show any greater detail because of the size of the object and the 1" - 400' scale at which the photo was taken. Mr. Rotz also presented a notarized statement from James J. Stewart that he "used the trailer for a summer vacations and periodically during the weeks"....from 1969 through 1973.

After much discussion, the Board would not approve the plan as forwarded by the Planning Commission since this was the first time it had been presented to the Board of Supervisors's action. Upon the insistence of Mr. Greiber and Mr. Rotz the Board agreed to consult their solicitor, Mr. Campbell to aid them in making a decision.

The Supervisors conducted the Spring road inspection on April 16, 1984. As a result of the inspection the following road work will need to be performed. The Boyle Rd. Ext., portions of Scott, Bullfrog, McLaughlin, Shorb Mill and Gordon Roads need to have tar and chip applied. The side gutters need to be cleaned on Scott, Natural Dam, Middle Creek, Rohrbaugh, Gordon, McLaughlin, Red Rock and Schriver Roads. Middle Creek Road needs two grates of approximately 3 x 5 feet put over open drain boxes. The brush needs to be cut back on Rohrbaugh Road and Wenschhoff Road is missing the stop sign. The potholes need to be filled on Bollinger School and Bullfrog Roads. Drain pipes need to be cleaned on Natural Dam and McLaughlin Roads. It may be necessary for a grader to be brought in for Schriver and Boyle Roads. Blasting may be needed on Natural Dam and Gordon Roads.

The Supervisors spoke with an occupant of the property on the corner of Bullfrog and Pumping Station Roads who said that some of the vehicles may be removed. On motion of Mr. Bigham, seconded by Mr. Gordon the Secretary was directed to write a letter to the owner of the property telling him to remove the excess cars. Motion carried.

Other matters brought to the Supervisors attention were the local bridge inspection program. All bridges 20 feet or more in length are eligible for 80% federal funding. No bridges in the township were over 20 feet.

The state wishes to contract with the townships to plow snow at the rate of \$670. per mile of road. The Supervisors stated that Freedom Township does not have the necessary equipment to consider the offer.

The yearly statistical summary was received from PennDot showing a 20% increase in the number of fatalities in the Township.

The Supervisors signed the necessary forms to claim the \$893. available in county aid liquid fuel monies. A letter from Adams County Service Program was received explaining the availability of volunteers for public service work. Mr. Mason will investigate. PennDot has a quantity of snow fence and stakes for sale. The Township has no need of these items at the present time. PennDot also sent a letter stating that the certification of bituminous materials will now appear on the invoice of the supplier rather than a separate form needed for each day's mix. The Pa. Department of Agricultural sent out information on the Agricultural Security Law. This need to be investigated as it may be a valuable way to protect farmland.

There being no further business the meeting was adjourned at 11:10 P.M. The next regularly scheduled meeting will be held June 13, 1984.

June 13, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 p.m.

Minutes of the May 9, 1984 meeting were accepted as read on motion of Mr. Bigham, seconded by Mr. Gordon. Motion carried.

Mr. Bigham made a motion to pay the bills. Motion carried after being seconded by Mr. Gordon. Motion carried.

The fire calls for April were: (1) on April 13, 1984 a chicken house fire on Old Frederick Rd., Emmitsburg, MD; (2) on April 19, 1984 a call to the National Fire Academy where an automatic fire alarm had gone off, Emmitsburg, MD; (3) on April 24, 1984 a chimney fire at the Wood's Residence on Business Route 15, south; (4) on April 30, 1984 a call to the western auto Store in Emmitsburg, Md, for a structure fire.

The Fire calls for May were: (1) on May 1, 1984 a call to Mountain Manor Rehabilitation Center where an automatic fire alarm had sounded, Emmitsburg, MD; (2) on May 15, 1984 a call to Emmitsburg where the automatic fire alarm had gone off at the Lutheran Church; (3) on May 15, 1984 Mountain Manor Rehabilitation center, an automatic fire alarm; (4) on May 27, 1984 a motorcycle accident on Natural Dam Rd.; (5) on May 29, 1984 a chimney fire at the Price Residence on Bullfrog Rd.

No police report was received from Cumberland Township.

Mr. Bigham presented the following report for May: The snow plow has been moved to Supervisor's Gordon's house. The mowing of grass on township roads will begin as soon as the grass dries out. On motion of Mr. Gordon, seconded by Mr. Bigham the secretary was instructed to advertise for bids for 10,000 gallons of various road oils. Motion carried.

On Motion of Mr. Bigham, seconded by Mr. Gordon the preliminary and final subdivision plan of Mrs. Kellet on Gordon Road was approved. The approval is contingent upon final approval of DER in regard to the sewage modules. The subdivision contains three lots. Lot 1, on the western end of the subdivision contains 10.000 acres; Lot 2 with the existing house and septic system on the easterly end contains 10.073 acres and the rear piece Lot 3, contains 28.807 acres with two, fifty feet panhandles on Gordon Road. Motion carried.

Mrs. Kellet was advised by Mr. Bigham that road occupancy permits will be needed by the the four driveways. The Township will place the pipe and the Kellet's will be billed.

Mr. W. Bekelja, facilities engineer for the Diocese of Harrisburg appeared to answer questions from concerned citizens and Supervisors. Mr. Bekelja gave a brief history of events which led up to the presentation of a sewage disposal plan to the township. He said that the primitive septic system which is presently malfunctioning permits no additional persons. to be served at the camp. Probe holes were dug at various locations but all failed. The only solution to the present problem is a package sewage plant. The proposed plant would have a capacity of 8,000 gallons a day to accommodate 125 persons, the present capacity of the camp. The original plan was to discharge the effluent into the lake since the effluent will be 95% clean but DER would not approve this plan. The effluent is planned to be discharged into the wet weather stream at the base of the lake dam. DER is aware that the stream is a wet weather stream only. The propose plant is a tertiary system which produces the cleanest effluent. Mr. Bekelja again reiterated that the camp is not intended for year round use and there will be no additional staff or campers. The twenty-nine tent sits have now been eliminated from the proposed plan.

The public were then invited to ask questions. Mrs. Coldsmith, asked if DER was aware that the effluent discharged would go into a wet weather stream only? Mr. Bekelja replied yes DER had specified the location of the discharge.

Mr. Mason asked where was the additional water to come from for the operation of the package plant and would it affect the water table? Mr. Bekelja said no additional water is needed since the number served would remain the same (125) also, the pond or lake could serve as a reservoir if needed.

Mr. Tullai asked for a clarification of the location of the planned campsites. Mr. Bekelja replied there is only one suitable site that is level enough and close enough to the proposed bathhouse. It is to the rear of the present cabins.

Mr. Coldsmith questioned the distance of the campsites to the neighbors. Mr. Bekelja said that the contour of the land limits the placements of campsites and the distance to the proposed bathhouse must be taken into consideration.

Mr. Tullai asked if the planned activities are part of the services provided by the Diocese. He was told that some of the groups bring their own activity directory and others depend upon the services of the Diocese.

Mr. Bekelja said that the proposed system would cost approximately \$75,000, and it will be a tertiary plant which will produce effluent 95% pure.

The citizens present agree that the proposed plant is needed but assurance are necessary that the discharge will not harm cattle. They are very concerned about the number of persons served. Mr. Bekelja said the feasibility study certifies to DER that the plant will serve only 125 persons. The citizens wished absolute guarantees of the purity of the effluent. Mr. Neth replied that there is never absolute security about anything.

Mr. Campbell, township solicitor, said that the Pennsylvania sewage Facilities Act is abused at times but no guarantees are ever given. The type of sewage plant proposed means that the SEO and Supervisors will have virtually no authority over the plan. Mr. Campbell advised the citizens to address their concerns to DER and their state representatives and senators. DER will monitor the plant but at the same time DER sometimes does not cooperate with enforcement by local officials.

Mr. Mason made a motion, seconded by Mr. Bigham that a revised plan be submitted to the township. The revised plan to have a map removing the tent sites stating the type of sewage plant planned and the number of persons served. Motion carried. A copy of the feasibility study was also requested by the Supervisors.

Mr. Francis (JIM) Wenschhoff appeared before the Board to ask for a solution to his problem of an illegal septic system at his house on Bullfrog Road. Mr. Campbell addressed the problem as follows: A house was erected without a proper building permit, a septic system was constructed with no permit, a subdivision was not recorded within the 90 day limit, voiding the subdivision. The subdivision was altered deliberately and then presented to the Supervisors for re-approval.

A letter from Dean Shultz, SEO was presented. In it he stated that the house appears to have some type of system but the area of the probe holes is unsuitable for any type of system including an elevated sandmound.

It was suggested to Mr. Wenschhoff that under the circumstances he: (1) purchase additional land; (2) install a holding tank if state approval can be obtained; or (3) additional probe holes could be dug in a different location.

On motion of Mr. Mason, seconded by Mr. Bigham a letter will be sent to Dean Shultz, SEO asking for the direction of actions as to the legality and feasibility of a holding tank or if there is an alternative system available; if additional land can be purchased. Mr. Mason voted aye. Mr. Bigham voted aye. Mr. Gordon voted aye.

On motion of Mr. Bigham seconded by Mr. Mason the decision to whether fine Mr. Wenschhoff or prosecute for the illegal system will be tabled until next meeting. Mr. Mason voted aye. Mr. Bigham voted aye. Mr. Gordon voted aye.

Mr. Bigham made a motion, seconded by Mr. Mason to table the decision on whether to prosecute Mr. Robert Wenschhoff for a subdivision violation until a recommendation is received from Dean Shultz. Mr. Mason voted aye. Mr. Bigham voted aye. Mr. Gordon voted aye.

4

Mr. Mason made a motion seconded by Mr. Bigham to direct the solicitor Mr. Campbell to take appropriate action to file charges against Mr. Francis (Jim) Wenschhof for violation of the building permit ordinance. Mr. Mason voted aye. Mr. Bigham voted aye. Mr. Gordon voted aye.

Mr. Greiber's proposed 20 acre subdivision on McLaughlin Road was denied approval. On motion of Mr. Bigham, seconded by Mr. Mason the proposed preliminary and final subdivision was denied because the plan shows an existing illegal mobile home and septic system for which no building permit or sewage permit were obtained. Mr. Mason voted aye. Mr. Bigham voted aye. Mr. Gordon voted aye. The proposed plan may be approved after the proper permits are obtained by Mr. Greiber.

Mason Dixon Farms sketch plan for 12 additional homesites on Harpers's Hill was denied approval. In the discussion the Supervisors agreed with the concept of using land not suitable for farming for residential use but all agreed that the subdivision ordinance requirement must be met. On motion of Mr. Bigham, seconded by Mr. Gordon the sketch plan was denied because the plan as presented violated many if not all sections of the Freedom Township Subdivision and Land Use Ordinance. Mr. Mason voted aye. Mr. Bigham voted aye. Mr. Gordon voted aye. The areas of concern were the slope of the lots and roads, the double lots and the lack scale to name a few.

The need for a backhoe/loader was discussed by the Supervisors. The number of dirt roads in the township requires constant maintenance of side gutters. The installation of driveway pipe also require hiring a loader frequently. On motion of Mr. Mason, seconded by Mr. Gordon it was voted to investigate purchasing a used tractor/loader from James Bigham to replace the Oliver tractor now in use. Mr. Mason voted aye. Mr. Gordon voted aye. Mr. Bigham abstained.

Under new business Mrs. Neth presented a letter about a Seal Coat Workshop to be held June 30, 1984 in Harrisburg at the cost of \$15.00 per person. None of the Supervisors were able to attend due to conflicts.

The Adams County Earned Income Tax Collection Agency Budget for 1985 was presented. The only area of increase was postage. The Supervisors accepted the budget as presented.

The Surplus Sampler which had an article on creative reuse of surplus federal and state property was scanned by the Supervisors.

A bulletin on "Curb cuts" was presented by the Pennsylvania disabled Veterans. It gave information on the proper procedure for installing handicapped curb access.

The meeting adjourned at 11:15 P.M.

261

July 11, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:15 P.M.

Minutes of the June 13, 1984 meeting were accepted as presented on motion of Mr. Gordon, seconded by Mr. Bigham. Motion carried.

Mr. Gordon made a motion to pay the bills. Motion carried. The motion was seconded by Mr. Bigham.

There was no fire or police report.
Mr. Mason had consulted Mr. Campbell about the purchase of the used backhoe from Mr. James R. Bigham and was told that to avoid any problems the machine should be put out for bid. A list of specifications will be obtained.

The snow plow that was offered at \$400.00 has not been saleable. An offer was made by Guy Harner at \$250.00. The Supervisors agreed to counter with an offer of \$275.00. If Mr. Harner is unable to meet the price it will be necessary to advertise the plow publically.

Since there has been no available space for the township equipment the offer of Jim Reaver of a 35 X 35 foot space in the open at his farm was discussed. The truck and snow plow, the two tractors, the gas tank and the oil and grease keep on hand could be stored there. The suggested rental was \$25.00 a month and Mr. Reaver would like to do all the township repairs at a flat rate of \$10.00 per hour plus parts. After discussion it was agreed that a contract would need to be worked out and therefore tentative approval was given. The motion was made by Mr. Bigham seconded by Mr. Gordon. Motion carried.

It was brought to the Supervisors attention that a brochure had been seen by one of the Township residents in which the public were invited to come to Camp Gettysburg. The Supervisors agreed that they certainly would like to see a copy to this flyer.

Mr. Greiber has made no reply to the refusal of the Supervisors on his Subdivision.

Mr. Mason brought to the meeting the prosecution papers which were started on Mr. Francis (Jim) Wenschhof on the Building permit violation. The date on the case was July 3, 1984. There has been no further communication from Dean Shultz, SEO on the Wenschhoff matter. Mr. Wenschhof was at the meeting to see if any more action had been taken.

Mr. Martin Anchor, owner of a 20 acre tract on Gordon Rd. asked if there were any plans for the repair of this road. Mr. Bigham replied that it was part of the schedule but will probably not be done until mid August or early September. Mr. Anchor also asked if there was help available from the Township on locating his flood plain line. Mr. Neth volunteered to meet informally with Mr. Anchor to see if this could be located.

Mr. Bigham reported that there has been no reply to date from Mr. Shultz regarding the plans needed for Plum Run on McGlaughlin Road.

Mr. Bigham reported that Mr. Gordon mowed all the roads in the Township. Mrs. Neth reported that no bids were received for road oils so she was directed to readvertise.

August 8, 1984
The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:03 P.M.

Minutes of the July 11, 1984 meeting were accepted as presented on motion of Mr. Bigham, seconded by Mr. Gordon. Motion carried.

Mr. Bigham made a motion to pay the bills. Motion carried after being seconded by Mr. Gordon.

Total \$ 75,612.16

The Police Report for July is as follows: Totals calls for the month - 4; Domestic calls - 3; and Information -1. Chief Barry J. Sease apologized for a lack of police reports for the last four months but he has been ill.

The Road Report is as follows: No road work was done during the month of July. In August the Supervisors began side gutter clean up on Rohrbaugh Rd. and Pumping Station Rd. Gordon Rd. will have the side gutters cleaned later in the month. Mr. Bigham, Roadmaster will contact Service Supply as to when they can come with the tar. Cumberland Township will be contacted to coordinate their labor with Service Supply's delivery.

The bid for road oils was submitted by Service Supply. It was the only bid submitted. Service Supply bid .685 gal for approximately 10,000 gallons of E-2 emulsion. On motion of John Bigham, seconded by Richard Gordon the Bid was accepted. Motion carried.

One bid was received for a loader/backhoe from J. R. Bigham Excavating. The bid for the piece of machinery which meet the specifications was \$7,000. On motion of Richard Gordon seconded by Donald Mason the bid was awarded to J. R. Bigham excavating. Mr. John M. Bigham abstained from voting as J. R. Bigham is his brother.

The Supervisors discussed the number of cars on Mr. Piper's property on the corner of Bullfrog and Pumping Station Roads. Mr. Piper has removed some of the vehicles. The Supervisors in discussion agreed to monitor the number of vehicles on the property.

Mr. Martin asked the Supervisors their intentions toward Gordon Rd. Mr. Martin would like to keep the road open over the creek and Mr. Rogers would like to close the road. It was the opinion of the board to keep the road open and passable.

Mr. Coffelt was advised that the signs for the firehouse were ordered and are expected by September 1.

The photos necessary for licensing the tractor is unavailable as the tractor is still torn down.

Continuing old business: No further action has been taken by Mr. Greiber on his proposed subdivision which the supervisors denied. The Wenschhof sewage problem is still awaiting a letter from Dean Shultz as to a possible solution. If Mr. Shultz, SEO is unable to suggest a solution then the matter should be referred to Campbell for possible prosecution. All the board members present agreed.

A letter was received from Jason Langham representing Hitt Petroleum advising that Hitt was awarded the Pa. State contract for gas and all state agencies can participate in this program, if interested the number is 717-787-1105 and ask for Pat Calley.

Mr. Anchor inquired as to obtaining Freedom Township Flood Plan. Told to start out at Adams County Planning Board.

Motion to adjourn was made by John Bigham seconded by Richard Gordon. Motion carried. Meeting was adjourned at 9:00 P.M. The next regularly scheduled meeting is September 12, 1984.

Respectfully Submitted,

Terrance Weitzel
Terrance Weitzel
Acting Secretary

September 12, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:06 p.m.

Minutes of the August 8, 1984 meeting were accepted as presented on motion of Mr. Gordon, seconded by Mr. Bigham. Motion carried.

Mr. Gordon made a motion to pay the bills. Motion carried after being seconded by Mr. Bigham.

The Police Report submitted for August is as follows: (1) Total calls for the month - 10; (2) Burglary -3; (3) Domestic -4; (4) Cruelty to animals -1; (5) Dog -1; and Business check -1. The calls for May were: Total calls -6; Theft -1; Motor vehicle accidents -3; and Information - 2. The calls for June were: Total calls for the month -12; Domestic complaints -4; Alarms -1; and Information - 6.

The fire Report for June is as follows: 6-9-84 responded to structure fire at Barlow Fire Co., 16 members attended and 6-25-84 responded to accident on Soliday Lane in place of Co. 22 truck which was out of service, 12 members present.

The Fire Report for July: 7-5-84 responded to automatic fire alarm at Eisenhower Farm, 15 member present; 7-7-84 responded for mutual aid to Emmitsburg on Old Gettysburg Road (Wooley Residence) a house fire, 17 members present; 7-9-84 responded to Red Rock Road for farm equipment fire, 14 members present; 7-13-84 responded mutual aid to Emmitsburg Post Office which reported a structure fire, 11 members present; 7-16-84 responded to mattress fire at Marsh Creek Campground on Bus. 15 North, 16 members present; 7-18-84 responded to accident on U.S. 15 north of Greenmount-Barlow Rd., 22 members present; 7-21-84 responded to a standby at Emmitsburg Fire Co. quarters, 14 members present; 7-23-84 responded to ADT alarm with mutual aid to Emmitsburg at Freeman Shoe, 14 members present; 7-30-84 responded to a mutual aid with Emmitsburg at Mountain Manor Rehabilitation Center for a gas leak, 13 members present.

The Fire Report for August: 8-1-84 responded to Mason Dixon Farms for silo rescue, 12 members present; 8-9-84 responded to pole fire on Bullfrog Road, 15 members present and 8-18-84 responded to tractor fire on Ridge Road, 13 members present.

Mr. Greiber's 20.069 acre subdivision on McLaughlin Road was discussed. Mr. Greiber has obtained a permit from Dean Shultz, SEO for a sand mound system. He presented the sewage module for Township approval. Approval of the Township is necessary before being forwarded to DER for their approval. After approval is received for the sewage module the system can be installed and inspected by Mr. Shultz. The mobile home that is presently shown on the plan is in need of a building permit and a permanent foundation. Mr. Greiber's attorney Mr. Bentz asked for conditional approval of the plans for the subdivision in order to speed the closing of the property. The three conditions imposed ~~imposed~~ for this type of approval were; (1) the installation of a sewage system for the mobile home; (2) a foundation under the mobile home with the proper permit and (3) this conditional approval is given providing that any unforeseen circumstances that may present themselves between now and recording of the plan will void the action of the Supervisors. On motion of Mr. Gordon, seconded by Mr. Bigham approval was given for the preliminary and final subdivision plan of 20.069 acres on McLaughlin Road subject to the previous condition stated. Motion carried. Bigham - aye. Gordon - aye. Mason - aye.

Mr. Stitely, buyer of the property was present. He was advised that the sewage module to be installed is to serve the mobile home which is the office for the horse arena. If another dwelling is erected the township will require a second sewage module will be needed. The Supervisors advised Mr. Stitely that the mobile is an integral part of the horse arena and cannot be removed from it's site and a dwelling connected to sewage module in place of the mobile home/ office combination.

Mr. Bigham, Roadmaster presented the following road report: The side gutters were cleaned on McLaughlin, Rohrbaugh, Gordon, Covered Bridge Road, Boyle and Natural Dam Roads. Tar and chip was applied to part of Bigham, Dawn, McLaughlin, Bullfrog, Shorb Mill, Boyle Road Ext., Harner and Scott Roads.

Culverts were placed on McLaughlin and Bigham Roads.

Plum Run construction on McLaughlin Road will need releases signed by property owners so that township can cut trees and bring in equipment. Mr. Neth was asked to find out who owns the property that will need to be crossed and try and contact the owner to see if this agrees with the owner before contacting the township attorney for a right of way agreement.

Mrs. Neth reported that the corner of Bullfrog and Pumping Station Road still has seven unlicensed vehicles as of September 11, 1984. Mrs. Chapman, Pumping Station Road reported that the number of vehicles has been as low as three. After hearing this, the Supervisors voted on motion of Mr. Bigham, seconded by Mr. Gordon to send a letter to Mr. Piper to remove the excess vehicles or apply for a junk yard permit.

Mr. Francis (JIM) Wenschhof was present to again seek a solution to his problem. The Supervisors related that Mr. Shultz, SEO had advised the Board that a holding tank permit can only be issued if the septic tank is malfunctioning and the area will receive sewers. This area is not planned for sewers. Since the property does not perc there seems to be no alternative but to prosecute Mr. Wenschhof for a system installed without a permit. Mr. Bigham made a motion seconded by Mr. Mason to prosecute for an illegal septic system. Motion carried. Bigham - aye. Mason - aye. Gordon - aye.

The Revenue Sharing certification was signed by Mr. Mason as Chief Executive Officer of the Township.

The Gypsy Moth program sponsored by Adams County was approved on motion of Mr. Gordon, seconded by Mr. Mason. Motion carried. The county will again charge \$1.00 an acre for those acres that are eligible to be sprayed.

There being no further business the meeting was adjourned at 10:35 P.M. The next meeting will be October 10, 1984 at the Greenmount Firehall.

October 10, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:05 P.M.

Minutes of the September 12, 1984 meeting were accepted as presented on motion of Mr. Bigham, seconded by Mr. Gordon. Motion carried.

Mr. Bigham made a motion to pay the bills. Motion carried after being seconded by Mr. Gordon.

Mrs. McClay a member of the Adams County Library Board of Trustees requested support for the library. The Adams County Library budget for 1984 was \$ 247,000. which is only \$ 3.62 per Adams County Resident. The Supervisors will be considering the budget next month.

Mr. C. M. Barkley of College Park, MD is proposes to start a pig farm on acreage on eith side of Shorb Mill Road. Mr. Barkley is contemplating a feed lot type operation in which the pigs will be confined to sheds and feed for market. Mr. Bigham asked if there was a plan for the pig manure because runoff in his opinion would pollute the creek. Mr. Barkley was not sure if the manue would remain on the ground or be collected in pits for removal. After checking the Freedom Township Ordinance the Supervisors could see no local ordinance that would prohibit such an operation but they advised Mr. Barkley to consult D.E.R. and Thomas Piper, the Agricultural Agent before making a commitment to proceed.

Mr. Martin Anchor who owns a piece of property on Gordon Rd. appeared on behalf of the residents who live alone the road requesting more stone be put on the road. Due to the recent cutting back of the side gutters which will take a year to settle the road when it is wet can be slick. Mr. Mason told Mr. Anchor that the road is not a highway but a country lane and you cannot expect it to be perfection. To help the residents with their problem the Supervisors agreed to spread more stone.

The Police Report is as follows: Total calls for the month - 7; Burglaries - 3; Information - 1; Domestic Disputes - 2; and Impersonating an Officer -1.

Mr. Bigham asked if there was any new developments on the Graiber subdivision. Mr. Neth replied that the sewage system was begun on October 10, 1984. but Mr. Graiber has not yet applied for a building permit for the mobile.

The final plan for a 36.457 acre subdivision on Red Rock Road owned by Kinsey Construction company was approved. The remaining lot is 110.424 acres. On Motion of Mr. Gordon, Seconded by Mr. Bigham the motion was made to approve the subdivision as presented. Motion carried. The appriate sewage modules accompaniced the subdivision. Mr. Neth signed the modules so that they can be forwarded to D.E.R. The subdivision will be held until the sewage module is either rejected by D.E.R. or 20 days has elapsed.

Mrs. Neth asked if the supervisors had been by the Piper property on Pumping Station Road lately. Mr. Bigham replied that there were still an inordinate number of vehicles still there. Mrs. Neth said she had checked with Mr. Campbell to see if the Junkyard Ordinance was enforceable. It is. On hearing this information Mr. Mason made a motion to have Mr. Camball start proceedings for prosecution if necessary. Mr. Bigham seconded the motion. Motion carried.

Aubrey Marcus wrote a letter dated September 17, 1984 in which he asked why the culvert was removed in front of his driveway. The Supervisors said that the culvert was full of debris which was blocking the flow of water. in the side gutters. The Supervisors will replace the pipe if Mr. Marcus will purchase it.

The Annual Convention of Township Officials will be held November 16, 1984 at the Irishtown Firehall. Since this is a meeting night it will be necessary to reschedule the township meeting. It was agreed to meet on November 7, 1984 at 8:00 P.M. A notice will need to be put in the paper to make this a legal meeting.

Keystone Sanitation is asking Freedom Township's support against a gross receipts tax imposed solely upon disposal sites. Keystone points out that the rates for dumping will have to be increased to cover this additional business cost which will be in turn passed on to users some of which are township residents. The Supervisors declined to pass the resolution which asked Union Township to repeal the ordinance. The Township Supervisors felt that they had no right to interfere with Union Township's internal affairs.

Mr. Bigham brought to the Township's attention that Bill Arentz on Bigham Road has created a hazzard in the Township right of way by erecting a 20 to 30 foot stone wall which is about 3 inches above the surface of the road in addition to being in the right of way. Mr. Bigham had called Mr. Campbell to see if the Township could force removal of the obstruction and Mr. Campbell said we could. The first step is for Mr. Mason and Mr. Bigham to talk with Mr. Arentz about removal of the obstacle.

There being no further business the meeting adjourned at 10:15 P.M. The next meeting will be held November 7, 1984.

November 7, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 P.M.

Minutes of the October 12, 1984 meeting were accepted as presented on motion of Mr. Gordon, seconded by Mr. Bigham. Motion carried.

Mr. Gordon made a motion to pay the bills. Motion carried after being seconded by Mr. Bigham.

The fire report for October, 1984 is as follows: (1) Automatic alarm on West Confederate Avenue; (2) Mount Saint Mary's College responding to smoke in the building; (3) Stand-by at Emmitsburg; (4) Stand-by at Emmitsburg; (5) Barn Fire on Miller Street, Fairfield, tanker run; and (6) false alarm on a car accident. For the Month of November: (1) A structure fire at Hobbs Garage; (2) an car accident on US 15 North; (3) a structure fire for mutual aid to Emmitsburg; (4) National Fire Academy and automatic fire alarm; (5) A structure fire on Middle Creek Road at the Brown Residence; and (6) The National Fire Academy, smoke in the building at Emmitsburg.

There was no police report from Cumberland Township but it may be due to meeting one week earlier than usual. The change of time was advertised in the Gettysburg Times.

The road report showed that Gordon Road was stoned with crusher run in the deep potholes after being scrapped. Mr. Joseph Arentz on Bigham Road filled up the ditch with ballast stone. The Supervisors plan to install the plow on the truck and again buy salt from Cumberland Township. As a result of the road inspection it will be necessary to remove the pipes on Natural Dam and replace them. No major work is planned until Spring, although it will be necessary to burn some brush piles left from the summer's work.

The Supervisors decided to sell the Massey Ferguson tractor with the mower as soon as possible. Since purchasing the backhoe the mower is not needed if a larger mower is purchased for the Oliver tractor.

Under old business Mr. Neth denied Mr. Greiber's request to release the subdivision plans on the 20. acre horsebarn because the mobile home is not installed per the subdivision ordinance. Section 1014, section c. states that the mobile home shall be placed upon and securely fastened to a frost-free foundation or footer. Mr. Greiber will need to install the mobile home to comply with the ordinance.

A letter was sent by Mr. Campbell to Mr. D. Ray Piper, Jr. to remove the excess cars on his property. Since the letter was dated October 31, 1984 it was agreed to allow Mr. Piper until December 12, 1984 to comply before the Supervisors discuss prosecution.

Mr. Neth consulted Mr. Sterling Musselman on the accident claim still pending and Mr. Musselman suggested that the Supervisors would do well to consider accepting the offer of 80% of the damages. The Supervisors directed that Mr. Neth advise the Insurance company of their decision to accept the offer.

The Supervisors didnot comment on the Campground ordinance that had been prepared by Mr. Campbell but will discuss it at the December meeting.

Under new business the 21 foreign fire insurance premium was received and will be forwarded to the Greenmount Fire Co. There is a Federal Emergency Management Agency meeting to be held on November 14, 1984 at the bank in Fairfield. The purpose of the meeting is to update the flood plain maps. Mr. Neth and Mr. Mason will be the township's representatives.

The Federal Surplus Property is asking for a current authorization. Mr. Mason signed as Chairman.

A workshop is being held on November 14, 1984 at Reading. The topic under discussion is The Protection of Farmland: A Reference Book for State and Local Governments. This date conflicts with the County meeting, therefore no interest was shown in attending the workshop.

At 9:00 P.M. the Freedom Township Board of Supervisors recessed the regular monthly meeting of the Board for the purpose of holding a public hearing on the budget. Mr. Mason, Chairman of the Supervisors declared the opening of the budget hearing. All the Supervisors were present. Freedom Township budgeted \$ 44, 419 in Township Funds; \$ 16,894 in State Funds and \$ 5600 in Revenue Sharing Funds. There being no comment from the public the budget was passed as presented on motion of Mr. Biglan, seconded by Mr. Gordon. The hearing was adjourned at 9:05 P.M. The regular monthly meeting of the Freedom Township Board of Supervisors was reconvened at 9:05 P.M.

There being no further business the meeting was declared adjourned. The next meeting will be December 12, 1984.

December 12, 1984

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. Supervisors Bigham and Gordon were present. Supervisor Mason was absent. The meeting was called to order at 8:00 P.M.

Minutes of the November 7, 1984 meeting were accepted as presented on motion of Mr. Gordon seconded by Mr. Bigham. Motion carried.

Mr. Gordon made a motion to pay the bills. Motion carried after being seconded by Mr. Bigham.

2.

Mr. Bigham presented the following road report: The Supervisors removed a drainage pipe on Ntural Dam Rd. and put in ballast to drain the water off the road. At The Arentz driveway and culvert Ballast was placed to fill up the large ditch and remove a hazzard. On Gordon Road # 3 stone was placed in the side gutters for about 300 yards. The Supervisors went to Straban Township to look at a new rotary mower of the type they are hoping to purchase.

Mr. Bigham reported that D. Ray Piper, Jr. at the corner of Bullfrog Rd. and Pumping Station has removed the accumulation of junk cars. Mr. Campbell's letter was effective.

Mr. Stitley plans to install a second sewage system on the 20.069 acre property that he purchased from Thomas Greiber. He has had it perced and a system designed. The module needs to be signed by Philip O. Neth and then forwarded to D.E.R. before the system can be installed.

Camp New Dawn has submitted a proposal to D.E.R. of a pressure-dosed, individually daigned, elevated sand mound sewage disposal system. In the letter from D.E.R. it is pointed out that it is the municipalities responsibility to issue or deny a permit to New Dawn. After a short discussion it was agreed to forward the plan to Dean Shultz, SEO for comment.

Mr. Bergdale was present with the proposed insurance quote for 1985. The total package will cost \$3577. The general liblity is \$830.; Comprehensive \$533.; Inland Marine (tractors) \$159.; Workmen's Compensation \$1,899; Treasurer's Bond \$125.; and \$500,000 uninsured motorists coverage \$31.00. Mrs. Neth related the message that Sterling Musselman's Agency skad to bid also but were unable to provide comparable coverage for the same low rates. The Supervisors agreed to keep the insurance with the Bergdale Agency.

Mr. Terrance Witzel was reappointed for a four year term to end December, 1988. The motion was made by Mr. Gordon, seconded by Mr. Bigham. Motion carried. James Henry's term will expre in December, 1985. Robert Plank's term will expire December 1987. Horace Waybright's term will expre December, 1986. Stephen DeRiggs's term also expires in Dec, 1986.

Victoria Greenlee had submitted a 7 lot sketch plan for her property on Bullfrog Rd. There was no adverse comment form the Planning Commission.

Mr. Geroge Heiges and Mr. Robert Campbell were present to explain the discussions that have been taking place between Mason Dixon Farms Incorporated and Dean Shultz, SEO and Mr. Campbell, Township Attorney. Mr. Shultz has suggested that the Corporation reserve a 5 acre area for future water and possible sewage disposal if the Corporation no longer exists. The skatch plan was accepted subject to the above reservations discussed for sewage and water on motion of Mr. Bigham seconded by Mr. Gordon.

Mr. Leatherman brought to the Supervisors attention the error on Township and County maps regarding the road he lives on. It seems that the small portion of Boyle Road that was cut off by the new U.S. 15 is not on the road. The Township never abandoned the road and still maintains it but it does not appear on the new maps. The Supervisors agreed to bring this to the attention of the Adams County Planning Commission.

The preliminary and final subdivision plan of C. Wilbur Stultz on Wenschhof Road was presented to the Board for approval. The plan is an additions of land to the present holding of John A. Holt so that his total land will be one acre. On Motion of Mr. Gordon, seconded by Mr. Bigham the subdivision was approved.

Since Mr. Campbell was present the Supervisors spent some time discussing the proposed Camp ground ordinance. There were no questions about the provisions and in fact they felt it was complete. Mrs. Nath conveyed the feelings of the Planning Commission about provisions in the ordinance for camp fires and their attendant hazards. Mr. Campbell said he thought there was a way to provide for a section to limit campground from having unsafe fires. He will redraft the ordinance and will present it to the supervisors as soon as possible.

On motion of Mr. Gordon, seconded by Mr. Bigham a resolution was adopted to keep the tax rate for 1985 at the same rate of five (5) mills. Motion carried.

The budget as planned and advertised was adopted for 1985. Mr. Bigham made the motion and Mr. Gordon seconded. Motion carried.

There being no further business the meeting was adjourned at 10:30 P.M.

January 9, 1985

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:10 P.M.

Minutes of the December 12, 1984 meeting were accepted as presented on motion of Mr. Bigham, seconded by Mr. Gordon. Motion carried.

Mr. Bigham made a motion to pay the bills. Motion carried after being seconded by Mr. Gordon.

Mr. Bigham presented the following report for December: The snow plow and spreader have been installed on the truck. Repair work for the truck is estimated to be \$2,500. The brakes, carburetor, vacuum unit, tuneup will be the major items on the bill. The Oliver tractor is at the dealers under cover for the winter. Mr. Bigham asked if the Supervisors agreed to bid the Massey Ferguson for sale in March for the Bids to be opened in April. The other Supervisors agreed.

The Greenmount Fire Company presented the following report for 1984. The Company responded to a total of 69 calls of which 21 were in Freedom Township, 18 calls in Cumberland Township, 25 calls in Maryland, 1 call in Liberty Township, 1 call in Fairfield Boror and 2 calls in Highland Township. There were 25 reported structure fires, 13 assists to Emmitsburg, 2 assists to barlow and 4 assists to Fairfield. There were 12 vehicle accidents, 9 chimney fires, 2 car fires, 6 A.D.T. alarms, 4 stand-by's and 11 miscellaneous calls. An average of 14 members responded per call. The trucks spent approximately 80 hours on calls and the estimated fire loss in our first major service area, excluding auto accidents was \$19,660. The Company also purchased 1,000 feet of new 3" hose.

Rev. and Mrs. Crowley members of the Board of Directors of Summit Lake Camp located in Maryland appeared before the Township Supervisors to explain their plans for another church camp to be located in Freedom and Liberty Townships. The proposed camp will be patterned after the present one. The Crowley's stressed that the camp provides an interdenominational ministry which has been used in the past by over 500 different denominations. The group which uses the facilities must provide a structured program for participants in addition to no smoking inside buildings and no drinking allowed at all.

The new facility will be on a total of 460 acres if the land acquisition is successful. With this large an area they should be able to accommodate 600 to 1000 persons at a session. The sewage facility plan is being designed and all state and federal regulations will be adhered to. Most of the campers will arrive by bus and some will come by private car. Full operation is four to five years away but the present plans call for site development as soon as possible.

The Supervisors listened attentively to the Crowley's and were interested in the plans for site development in regard to the entrance and exit plans as they will affect township roads. The sewage question was explored as to whether they were planning sand mounds or package sewage plans. The Crowley's said for now they hope to have a sand mound system. The Supervisors asked to be kept informed of the plans and developments for the camp.

Mr. Aubrey Marcus asked if the pipe that had been removed from his driveway on McLaughlin Road could be reused but the Supervisors feel that the pipe was too small to begin with and it would be necessary to replace it very shortly since it is likely to clog with debris. The Board policy in the past has been to install 14" concrete pipe in 6ft. sections. The approximate cost of the pipe is \$175.00. The landowner is only charged for the pipe not the labor to install the pipe. The clerk was instructed to write to Mr. Marcus and inform him of the Board's decision.

Mr. Haffner appeared before the Board with a sketch plan of property he owns on Pumping Station Rd. He is interested in subdividing and selling a 20 acre piece but the Supervisors are only interested in about five acres. When Mr. Haffner realized that the remaining 15 acres would have no access he stated that he was not interested in selling to the Township Board of Supervisors.

In a letter dated January 3, 1985, Mr. Campbell, Township attorney submitted a suggested legend to appear on the Mason Dixon Farms Land Development Plan. "Approval of the land development plan of Mason Dixon Farms, Inc. is subject to the following conditions: 1. This plan is for land development only under the single ownership of Mason Dixon Farms, Inc. No subdivision or conveyance of any building or lot shown hereon may be made to anyone or to any other entity until the owner of all lots depicted hereon submits a subdivision plan for further approval by Freedom Township, which plan must comply with township and state ordinances and regulations, and which must provide for water sources and perpetual sewage treatment sources and which must be accompanied by an agreement for perpetual use of a methane digester or an alternate sewage treatment system. 2. The area to be developed will have sewage through a methane digester. If, in the future, the methane digester servicing the residential sites ever stops operation on a permanent basis, Mason Dixon Farms, Inc. or its successors must re-submit and application to Freedom Township and to the Commonwealth of Pennsylvania for approval of an alternate sewer system on the area herein reserved. Legend on the cross hatched area of plat to read: Area reserved for water source and for water disposal system if methane digester unable to service or not available to service the residential sites."

This is substantially the wording that was agreed upon at the December 12, 1984 meeting but until a complete plan is submitted the Supervisors did not vote to accept or deny this request.

Philip O. Neth, Secretary asked if the Supervisors had any objection to changing the Township, State, and Revenue Sharing accounts into money market funds since they pay a better rate of interest. The Supervisors agreed to this plan.

There being no further business the meeting was adjourned. The next meeting will be held February 13, 1985.

January 7, 1985.

The organizational meeting of the Freedom Township Board of Supervisors was held at 8:00 P.M. at the Greenmount Firehall. All the Supervisors were present.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to elect Mr. Mason Chairman of the Board of Supervisors for 1985.

A motion was made by Mr. Bigham, seconded by Mr. Mason to elect Mr. Gordon Vice Chairman of the Board of Supervisors for 1985.

A motion was made by Mr. Gordon, seconded by Mr. Mason to appoint Mr. Philip Neth as Secretary Treasurer of the Board of Supervisors for 1985.

A motion was made by Mr. Gordon, seconded by Mr. Mason to hire Mrs. Barbara Neth as clerk of the Board of Supervisors for 1985.

A motion was made by Mr. Gordon, seconded by Mr. Mason to appoint Mr. Bigham as Roadmaster for 1985.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to appoint Mr. Mason as Assistant Roadmaster for 1985.

A motion was made by Mr. Bigham, seconded by Mr. Mason to appoint Mr. Gordon as Assistant Roadmaster for 1984.

A motion was made by Mr. Gordon, seconded by Mr. Mason to keep the pay of outside labor at \$4.50 an hour.

A motion was made by Mr. Gordon, seconded by Mr. Mason to recommend to the Board of Auditors that the Supervisors wages be raised to \$6.25 an hour and \$25.00 a meeting.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to have the Adams County National Bank to continue to serve as our banking institution.

A motion was made by Mr. Mason, seconded by Mr. Gordon to have Dean Shultz and Mr. Edward Mort to continue as Township administrators of Act 537.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to continue the police contract with Cumberland Township.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to renew the Public Official bond in the amount of \$35,000.

A motion was made by Mr. Gordon, seconded by Mr. Bigham to continue to hold regular meetings on the second Wednesday of each month at 8:00 P.M. at the Greenmount Firehall.

A motion was made by Mr. Mason, seconded by Mr. Gordon to pay the Secretary an honorarium of \$200. per year.

A motion was made by Mr. Bigham, seconded by Mr. Gordon to continue to pay the Tax Collector at 5% discount, par and penalty.

Act 67, effective August 14, 1978 provided for the establishment of a Vacancy Board. The 1984 members of the Board are Mr. Mason, Mr. Gordon, and Mr. Bigham. Mrs. Jean McNair is appointed as registered elector.

The Greenmount Fire Company responded to the following calls for January:
 (1) 1-5-85, stand-by at Emmitsburg; (2) 1-10-85, stand-by at Emmitsburg; (3) 1-11-85, a tanker call to a house fire on N. Miller Street in Fairfield; (4) 1-15-85, a chimney fire at the Sents Residence on Marsh Creek Rd.; (5) 1-16-85, an odor of gas at the school in Emmitsburg; (6) 1-16-85, an odor of gas on Harney Rd., Emmitsburg; (7) 1-20-85, a stand-by at the Emmitsburg Fire House; (8) 1-20-85, a stand-by at the Barlow Fire House; (9) 1-20-85, wires arcing, Bus. Rt. 15 in front of the firehall; (10) 1-22-85, an A. D. T. alarm at the National Fire Academy, Emmitsburg; (11) 1-22-85, a chimney fire at the Welty Apartments in Emmitsburg; (12) 1-24-85, an A. D. T. alarm at the National Fire Academy, Emmitsburg; (13) 1-26-85, a stand-by at Emmitsburg; (14) 1-27-85, an accident at Marsh Creek Heights Rd.; (15) 1-31-85 a chimney fire on Mt. View Rd., Emmitsburg.

John Bigham, Roadmaster presented the following report for January: The majority of the time was spent plowing and spreading anti-skid. The cost of anti-skid used to date is approximately \$1,000. Cumberland Township is ordering a new cutting edge for the snow plow at a cost of about \$150. John Bigham inspected the roads to examine the damage done by the weather. Bigham and Scott Roads will need stone. Boyle Road need safety rails and Chorb's Mill Road had an ice jam at the bridge. Mr. Reaver appeared before the Board to explain the bill for the dump truck and to say that approximately \$1,500 is still needed to put the truck in first class shape. The Supervisors agreed that a new truck would cost at least \$30,000 plus interest and the repair bill is small in comparison. Mr. Harner has offered to purchase the old snow blade for \$250. The Supervisors agreed to sell it for that price. Mr. Bigham will give Mr. Campbell the specifications for the five foot side-mounted mower. The mower is expected to cost between \$4,000 and \$4,200. They also want to sell the Massey Ferguson for about \$4,000. So the Township will almost trade even and have very little outlay for the new equipment. Mrs. Neth informed the Supervisors that the state has asked that road occupancy permits be issued before a building permit since if there is no access to the property a building permit is useless.

A resolution to retain Gettysburg Engineering as Sewage Enforcement Officer and to keep the same fee schedule for 1985 was made by Mr. Bigham, seconded by Mr. Gordon. Motion carried.

The application for errors and omission insurance was signed by Mr. Mason.

The Planning Module for sewage for Middle Creek Bible Conference was discussed. The camp will have 111 acres in Freedom and 360 acres in Liberty Township. Since Liberty had made no decision, Freedom delayed their decision until Liberty's is known. The Church wishes to put collection lines across the Freedom Township portion of the land and run the sewage to a plant to be constructed along Middle Creek. The treated effluent flow downstream through Freedom Township. Freedom Township is concerned about the location of the plant in a flood plain and the quality of the treated effluent to be discharged into the stream.

Mrs. Neth handed out the Ethic Act Information Forms. They must be filed by each elected official and for the year after an official leaves office.

The preliminary and final plan of Chester Chapman of a 3,001 acre subdivision on Old Route 15 south of the Rt. 15 bridge was approved on motion of Mr. Bigham, seconded by Mr. Gordon. Motion carried. The piece of property has a 12 x 60 mobile home with an existing septic system.

John W. Purdy was appointed to the Planning Commission to fill the unexpired term of Stephen DeRiggs who resigned. Mr. Purdy's term will expire December 31, 1986. The motion was made by Mr. Gordon, seconded by Mr. Bigham. Motion carried.

The Mason Dixon Dixon sewage module was approved on motion of Mr. Bigham, seconded by Mr. Gordon. Motion carried. The legend on the plot plan is in the form agreed upon at last month's meeting. The sewage module will be forwarded to D.E.R.

Dr. Ohl, according to Don Mason, may be interested in selling a piece of property to the Township for a building to store Township equipment. The Township equipment will have to be removed from Mr. Gordon's farm since it was sold and closing will be March 8, 1985.

Mr. Campbell was present at the meeting to present the revised campground ordinance with provisions for campfire control but after hearing the discussion regarding Middle Creek Mr. Campbell and Mr. Shultz felt that the ordinance will need further revision before it will meet the need of the Township to protect its citizens. The Supervisors agreed to delay any action until the revisions are made.

The Township has received information on a number of items of interest since the last meeting. They are: The Department of Community Affairs, Bureau of Recreation and Conservation has funds available in the form of a grant for projects to acquire, develop and rehabilitate public park and recreation lands and facilities. No interest was shown in the grant program.

A copy of the Pennsylvania Local Government Financial Statistics for 1981 was received and shared with the Supervisors. Cleveland Brothers had sent a letter with a fee schedule for rental of most commonly used heavy equipment. The S.P.C.A. sent a copy of their newsletter. The Adams County Conservation District sent a letter to inform the Supervisors that crown vetch seed is available this year. In the past the Township has not used the seed because if it is allowed to go wild it is impossible to control.

Mr. Bigham announced that he will be unable to continue to serve as Supervisors since he is moving from the Township. He submitted his resignation with regret. The remaining Supervisors will hold a Vacancy Board meeting within thirty days to appoint a successor to Mr. Bigham. Mr. Bigham. They expressed appreciation for all the work Mr. Bigham has performed and asked if he would be willing to serve as Roadmaster to which he agreed.

The meeting was adjourned at 10:15 P.M. The next meeting will be March 13, 1985.

March 13, 1985

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present including Alan Horoschak who replaced Mr. Bigham. The meeting was called to order at 8:00 P.M.

The minutes of the February 13, 1985 meeting were accepted as read on motion of Mr. Gordon, seconded by Mr. Horoschak. Motion carried.

Mr. Gordon made a motion to pay the bills. Motion carried after being seconded by Mr. Bigham.

The Police Reports received from Cumberland Township are as follows. November, 1984 - (1) Total call for the month - 4; Impersonating an Officer - 1; Parking complaint - 1; Motor Vehicle accident - 1; and House checks - 1. For the month of December, 1984 (1) Total calls for the month 6; Traffic accidents - 1; Disorderly conduct - 2; Harrassment - 1; and Assault - 1. For the month of January, 1985, Total calls for the month - 5; Theft - 2; Traffic Accidents - 2; Motorist assistance - 1; and for the month of February 1985 - Total calls for the month - 4; Motor vehicle accidents - 2; Alarms - 1; and Information - 1.

The Greenmount Fire Company handled sixteen calls from February 12, 1985 to March 12, 1985. There were; a car accident at the intersection of Business Rt. 15 and U.S. 15; a bomb threat at the Sheraton Inn; a smoke investigation in a structure on Business Rt. 15; a stand-by at Emmitsburg; a chimney fire and assit to Emmitsburg on Welty Rd.; a stand-by at Emmitsburg; an automatic fire alarm at the National Fire Academy; a chimney fire and assit to Barlow on Ridge Rd.; a kitchen fire at Mount Saint Mary's College; an assit to Barlow with a trailer fire on Mason Dixon Rd.; a house fire at Emmitsburg; an assit to Barlow with a grass fire and three calls to stand-by at Emmitsburg's fire station.

Bill Hill, Engineer representing Middle Creek Bible Conference was present for the second time to seek township approval of the Sewage Planning Module for the proposed sewer lines to be constructed in Freedom Township. The line is to connect to the plant to be constructed in Liberty Township. At the February meeting the plan was tabled until more input could be received from township residents and advisors.

Mr. Melvin Chapman, a township resident, asked if the Supervisors had seen a large map of the proposed recreation area. The site is proposed to have a small lake with fishing, boating and bathing area. The plan also calls for a R. V. site with wash houses and bathing facilities. An activity area is planned, too.

Mr. Chapman asked if the Camp is to be used year round. Part of the facility will be was Supervisor Mason's reply.

Mr. Tullai, a township resident, asked for clarification. He asked if the township was approving the campground or just the placement of the sewer lines. Mr. Campbell, township solicitor said no just the sewer lines to cross Freedom Township were being considered for approval.

Mr. Mason and Mr. Campbell discussed the fact that the Camp will need to seek township approval for placement of the proposed recreational areas and any actual construction in the future, and Mr. Campbell emphasized that the township approval of the sewer line concept is necessary in order to present the Sewage Planning Module to D. E. R. for acceptance or rejection. Mr. Mason explained to the township residents present that the Supervisors can find no existing reason to deny the Middle Creek Bible Conference approval of its sewage module.

Mr. Mason then made the following motion: I move to approve submission of the Sewage Planning Module from Middle Creek Bible Congerence subject to the following conditions to be inserted in the resolution to be submitted to D.E.R.

1. The Township has no objection to the proposal to construct sewer lines from facilities to be developed in Freedom Township to the Treatment Plant. However, if the Module is approved, Middle Creek Bible Congerence must have an approved Land Deviolpment Plan meeting Freedom Township's Subdivision & land Development Requirements prior to the start of any consturction in Freedom Township and must, in addition, comply with any Flood Plain Ordinance or Camp-ground Ordinance in effect in the Township.

2. Freedom Township is concerned about the adverse effect the discharge of effluent to this small streat will have on its waters, and because the stream is a trout stream, used for livestock watering, and discharges to the Chesapeake Bay, the Township is requesting that the Department establish discharge and operation requirement os the magnitude that will prohibit the pollution of this steam. When the resolution has been prepared the Township Supervisors authorize the Township Secretary to sign and forward the resolution to D.E.R. Motion seconded by Mr. Gordon. Mr. Mason voted aye; Mr. Gordon voted aye; Mr. Horschak voted aye. Motion carried.

Mr. Gordon made a motion to hire Mr. Bigham as Roadmaster-Foreman at wages of \$ 6.25 an hour. Mr. Gordon seconded the motion. Motion carried.

Mr. Bigham presented the following road report. He inspected the roads after the wind storm but found almost no damage. At present it looks if there will be little winter damage. The truck is mechanically very good and it runs like a new truck but the bed and spreader need to be rebuilt. Mr. Bigham asked the Supervisors if they will authorize a work order for a culvert to be replaced at the Gilbert property on Natural Dam Rd. The Supervisors agreed and Mr. Gilbert will be billed for the pipe. Mrs. Kellel also requested pipe in her diveway and she agreed to pay the cost of the pipe. The Supervisors agreed to do the work and bill her when the job is completed. Mr. Bigham advised the Supervisors that a five foot side mounted rotary mower, Model S-105 Woods with all mechanical drive, real tail wheel, counter weights, stump jumper, front safety chains and rear safety chains can be purchased for \$3700. Since Mr. Campbell was present he was directed to advertise the M-F tractor for bid and sale. Mr. Bowling had asked Mr. Bigham who was responsible for the care of the covered bridge. Mrs. neth replied that the Adams County Historical Society is the owner of the bridge. Although the bridge was built jointly by Cumberland and Freedom Township it became the property of the County when the State gave bridge repair and construction to the counties as their responsibilities. The Bridge was given to the Historical Society after the new road and bridge were constructed.

Middle Creek Rd. at the bend needed guard rails and 2X6 boards were purchased and the guard rails installed.

Mr. Mason reminded the Supervisors that the Spring road inspection is needed. They agreed to meet on Saturday March 23, 1985 and inspect the roads.

The Campground ordinance that has been in the preparation for a long time was presented by Mr. Campbell for Supervisors approval. After discussion of alcohol control and noise control it was decided to vote on the Ordinance as presented. Mr. Horschak made a motion to approve the Campground Ordinance and Mr. Gordon seconded the motion. Mr. Mason voted aye; Mr. Gordon voted aye; Mr. Horschak voted aye. Motion carried.

The Greenmount Fire Company requested that the Township pay for two of it's members to attend a D.C.A. workshop on Financial Aid for Fire Companies. On Motion of Mr. Gordon, seconded by Mr. Horschak the approval was given for a check in the amount of \$20.00 to be issued to cover the cost of the tution. Motion carried.

The Adams County Planning Commission had sent a letter a few months ago asking for financial help in the preparation of a Solid Waste Management Plan. Mr. Gordon made a motion, seconded by Mr. Horschak to contribute \$119.00 as Freedom Township's share of the cost of the plan. Motion carried.

Billy Breat, Liberty Township Supervisor asked if Freedom Township had considered passing a ten ton limit on Bullfrog Rd. He explained that an ordinance would be need to be passed by hamiton, liberty, and freedom to make the weight limit uniform along the length of the road. The Supervisors agreed that they had no objections to studying the matter.

Mr. Simon Tullai, Emergency Management Director, advised the Supervisors that he had appointed Barry Singley as Assistant Director.

A preliminary and fianl subdivision plan of Andrew T. Shorb was presented to the Supervisors for approval. Mr. Andrew T. Shorb wishes to convey 6.7247 acres to his son James R. and his wife Joanne M. Shorb. The younger Shorb's own a 1.35 acre piece with no road access but only right away access. The subdivision will give them access to Middle Creed Rd. On motion of Mr. Gordon, seconded by Mr. Horschak the subdivision was approved as presented.

There being no further business the meeting was adjourned at 11:30 P.M. The next meeting will be held April 10, 1985.

April 10, 1985

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 P.M.

The minutes of the March 13 1985 meeting were accepted as read on motion of Mr. Horoschak, seconded by Mr. Gordon. Motion carried.

Mr. Horoschak made a motion to pay the bills. The motion was seconded by Mr. Gordon.

The Greenmount Fire Company presented the following report for the period of March 13, 1985 thru April 9, 1985: There were two standbys at Emmitsburg; 2 auto accidents on U. S. 15 north; 1 auto accident on Cunningham Road; an assist to Barlow on a chimney fire; a chimney fire at the Neth residence on Chapel Road; an investigation with Emmitsburg on Old Frederick Road; 2 A.D.T. alarms at the National Fire Academy; reported to a barn fire on Dry Bridge Road in Frederick County which was a false alarm; and a dust collector fire at Gettysburg Foundry.

The Greenmount Fire Company also purchased a used ambulance to be converted to a service truck. Engine 23 is out of service until repairs are completed. Todd Green and Ben Bishop attended the workshop in Lewisburg and thanked the Township for providing the tuition fees.

The Cumberland Township Police Department presented the following report for March, 1985. There were 9 calls of which there was 1 theft, 1 domestic; 1 escort to the bank; 3 motor vehicle accidents; 2 motorist assistance; and 1 abandoned vehicle.

During March the Supervisors conducted the Spring road inspection as mandated by the code for second class townships. The side gutters need to be cleaned on McLaughlin, Bigham and Red Rock Roads for which the township backhoe will be adequate but the sidegutters on Scott, Bullfrog, Middle Creek, Wenschoff, Rohrbaugh and Boyle Roads may need outside contractors.

Tar and chip needs to be applied to McLaughlin, Bigham, Shriver, Gordon, Shorb Mill, Dawn, Natural Dam and Bullfrog Roads. Brush needs to be cut and burned on Covered Bridge and Rohrbaugh Roads. Potholes need to be filled on Shriver, McLaughlin, Gordon, Rohrbaugh, Shorb Mill and Natural Dam Roads.

Guard rails need to be erected on Middle Creek and Boyle Roads. The plan for the large culvert that will need to be built over Plum Run on McLaughlin Road are being prepared by Dean Shultz. The Supervisors will bid this project since it is going to be very involved. There is a bridge on hoerner Road which needs attention but first the township needs to determine who is responsible for the project.

The Township needs to install pipe in the following residents driveways: Mr. Gordon, Mrs. Kellett, Mr. Marcus, Mr. Bushey and Paul Witt. Mr Horoschak made a motion to have Mr. Campbell, solicitor draw up a simple contract between the township and the land owner in which the township agrees to do the work and the property owner agrees to pay the pipe only. Motion passed after being seconded by Mr. Gordon.

A Woods mower as described in last months minutes is needed to cut brush and grass on the sidegutters. Mr. Bigham has gathered many prices but the lowest was \$3700. On motion of Mr. Horoschak seconded by Mr. Gordon a Woods mower will be purchased. Motion carried.

The bid for stone was opened at 8:15 P.M. There was only one bidder Valley Quarries, Inc. accompanied by a proper bid bond. The prices are the same as 1984 for 2, 2A and 2B stone. The price for 1B has increased in 1985. On motion of Mr. Horoschak seconded by Mr. Gordon the contract was awarded to Valley Quarries, Inc., P.O. Box 128, 1575 Baltimore Pike, Gettysburg, PA 17325 in the amount of \$26,200.00. Motion carried.

| Quantity | Desc. | Plant | Pickup | Spread |
|------------|-------|------------|---------|---------|
| 1,000 tons | 2A | Gettysburg | \$ 3.60 | \$ 5.30 |
| 1,000 tons | 2A | Fairfield | 4.35 | 5.80 |
| 1,000 tons | 2 | Gettysburg | 3.75 | 5.45 |
| 1,000 tons | 1B | Gettysburg | 4.50 | 6.20 |
| 1,000 tons | 1B | Fairfield | 5.10 | 6.55 |
| 1,000 tons | 2B | Gettysburg | 3.75 | 5.45 |
| 1,000 tons | 2B | Fairfield | 4.70 | 6.15 |

Mr. Neth reported that it had been brought to his attention that Mr. Branch on McLaughlin Road had his septic system repaired without obtaining a proper permit. The Supervisors directed that a letter be written informing him that he needs to comply with the township ordinances and obtain a permit.

Mr. Garnet on Red Rock Road has contacted Mr. Shultz concerning a blocked line in his septic system but never completed the necessary application or paid the fee. On inspection by Mr. Neth it was obvious that Mr. Garnett had recently had work done with out a permit. The Supervisors directed that a strongly worded letter be sent to Mr. Garnett informing him he must comply with Township ordinances or face possible prosecution.

Alan Horoschak who attended the Adams County Solid Waste Management meeting on March 23, 1985 reported that the meeting was poorly attended and that Lewis Hillard of Union Township was elected Chairman. He wished to impress upon the Supervisors that Adams County will run out of space for solid waste disposal in five years. There is a proposal to bid a study for waste management needs and practices.

Timely informational publications from Representative Donald Door, Natat's National Community Reporter, a public auction announcement by Service Supply, Moving Forward, PSATS Newsletter, DCA Partners in Progress, Pa. Surplus Sampler was shared with the Supervisors.

There being no further business the meeting was adjourned at 10 P.M. The next meeting will be May 8, 1985 at the Greenmount Firehall.

May 8, 1985

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:15 P.M.

The minutes of the April 10, 1985 meeting were accepted as read on motion of Mr. Gordon, seconded by Mr. Horoschak. Motion carried.

Mr. Gordon made a motion to pay the bills. The motion was seconded by Mr. ^{Horoschak} Gordon. Motion carried.

There was no police or fire report presented.

Mr. Mason made the following road report. Culverts were installed on the McLaughlin Road at the Paul Witt residence. Mrs. Neth asked if Mr. Gordon had any knowledge of the width of the township road right of ways. He answered no. An inquiry from Met Ed involved a little research which gained the knowledge that in 1931 the state legislature passed an act stating that all roads hereafter shall have a width of 33 feet, unless they were dedicated previous to this act and if they were previously dedicated whatever the width that was recorded would stand. If no records are available on the road width then it is presumed that it will be 33 feet. Mr. Mason then asked in relation to this does anyone have knowledge of where the township responsibility and right of way ends on Schriver Road at the intersection of the Cunningham Road. Since a three ton limit has been posted on the iron bridge trucks back up to Schriver Road to turn around to go around and this has caused a

colapse of part of the culvert under one branch of Schriver Road intersection. Mr. Neth was asked to check with the state.

Mrs. Neth also pointed out that on the official map of Gordon Road it does not go all the way through. According to the 1984 map from PennDot the township has lost .2 of a mile of road. Could this be it? Mr. Gordon said he would measure the road from Middle Creek up to Middle Creek Road. Mr. Schriver asked if the big pothole could be fixed in front of his lane. Supervisors agreed. At the same time Mr. Neth questioned if the small section of Middle Creek Extended is still a township road. He will need to do some research with PennDot to get an answer. Mrs. Neth informed the Supervisors that Mr. Marcus on McGlaughlin Road had signed the agreement to pay for the pipe needed in his driveway.

Mr. Neth reported than Mr. Branch had applied for and paid for a Township Sewage Permit. He replaced a colapsed metal septic tank. The purpose of the fee is to reimburse the township for the cost of inspection and enforcement.

Mr. Garnett has sent the township a letter in reply to the Township letter dated April 14, 1985 which takes issue with the Township interpretation of Ordinance 81-1. The Township feels that the strict interpretaion of the language in the ordinance requires Mr. Garnett to obtain a permit from Dean Shultz, S.E.O.

Mr. Neth then related to the Supervisors the history of the problem to date. Mr. Garnett had made application to the S.E.O. for a permit and promised to pay when Dean Shultz went out to his property. Mr. Garnett then reneged on his promise to pay for the permit. On the work log for April, Mr. Garnett's plumber consulted with Dean Shultz for a half hour. Dean's inspection of a deep probe hole consumed an hour. There was one hour of secretarial time used and one and one-half hour of time for a technician. All in all, Mr. Garnett has used \$55.92 worth of the Township time and money. Mr. Neth, related that he had instructed Mr. Shultz to bill Mr. Garnett for the time and expense. The Supervisors agree that Mr. Garnett should be billed for the costs to the Township.

There was no bid for the tractor. Mrs. Neth was instructed to run the ad again.

The county aid forms for 1985 were signed. The amount of aid is \$885.40 and it will be used for maintenance of roads.

Mr. and Mrs. Harold J. Greenlee presented a preliminary plan for a seven lot subdivision on Bullfrog Road. Mr. Neth complimented the surveyor Mr. Williams on the completeness of the plan. A copy of a letter from the Soil Conservation Service was read dated December 3, 1983 which recommended a 25% larger field then was usual since the slope is quite steep. The letter will be attached to the file copy. The Freedom Township Planning Commission voted in favor of the subdivision and forwarded it to the Supervisors for their action. On motion of Mr. Horoschak, seconded by Mr. Gordon the preliminary plan was approved. Motion carried.

Mr. Wadell, accompanied by Larry Bekelja facility engineer for the Diocese of Harrisburg appeared about obtaining a building permit for a 12' x 18' replacement storage shed at the pool and a permit for a new 19' x 31' cabin to house staff. The Supervisors were concerned about the additional sewage that would be generated. Mr. Bekelja, replied that the camp is also concerned about the amount of sewage generated since the new sand mound system is designed for only 7,000 gallons a day. At the suggestion of Dean Shultz a meter to monitor the flow was installed. It was suggested by Mr. Horoschak that a daily log be kept and a certified copy submitted monthly. The Supervisors had no objection to the 12' x 18' shed at the pool but suggested that Mr. Neth be guided by Dean Shultz in the issuance of a permit for an additional cabin.

Mrs. Neth passed out updates for the Second Class Township Code. Mrs. Neth also told Mr. Horoschak that Mr. Bigham had his copy of the code book.

Informational pamphlets were shared from Worley Equipment, Cleveland Brothers, Pa. Local Government Investment Trust, S.P.C.A. Newsletter, Group Insurance for Townships of the Second Class and Congressman Bill Goodling's Newsletter.

There being no further business the meeting was adjourned at 10:45 P.M.

June 14, 1985

The regular meeting of the Freedom Township Board of Supervisors was held at the Greenmount Firehall. All the Supervisors were present. The meeting was called to order at 8:00 P.M.

The minutes of the May 8, 1985 meeting were accepted as read on motion of Mr. Horoschak, seconded by Mr. Gordon. Motion carried.

Mr. Gordon made a motion to pay the bills. The motion was seconded by Mr. Horoschak. Motion carried.

Barnett

The police report for the month of May is as follows: (1) Total calls - 6; (2) Burglary - 1; (3) Trespass - 1; (4) Information - 1; (5) Assault - 1; and (6) Domestic - 2.

The Greenmount Fire Company presented the following report from April 9, 1985 through May 14, 1985. There were six calls: (1) April 11, a chimney fire at Marsh Creek Heights; (2) April 12, a stand-by for Company 22 at Barlow; (3) April 14, a smoke detector activation at 130 W. Main St., Emmitsburg, MD; (4) April 19, a brush fire on Pumping Station Rd., (5) May 5, an unknown type of fire on Old Frederick Rd., Emmitsburg, MD; and (6) May 10, an unknown type of fire on Chapel Rd.

From May 14, 1985 through June 11, 1985 the Greenmount Fire Company responded to three calls. They were: (1) May 30, an auto accident which was a false alarm; (2) June 3, a building collapse in Emmitsburg, MD; and (3) June 5, a controlled burning.

Roadmaster John M. Bigham presented the following road report for May. All the dirt roads were graded by Cumberland Township at a rate of \$18.00 per hour. The following roads were worked on for side gutter clean out and bank removal. They were Bigham Rd., McLaughlin Rd., Middle Creek Rd., Boyle Rd., and Bullfrog Rd. Natural Dam Rd., McLaughlin Rd. and Shriver Rd. were partially stoned. Bigham Rd. and McLaughlin Rd. have been mowed with the new mower.

For future maintenance the township will need to place pipe at the intersection of Cunningham and Shriver Roads. This intersection, per the state is township responsibility. It will be necessary to retar and chip the surfaces of those roads started last year. Pipes need to be put in on Natural Dam Rd. at the Gilbert driveway and on Gordon Rd. at the Kellett and Gordon driveways.

Discussion is needed on the McLaughlin Rd. large pipe project. The dump truck bed is in need of repair and Lloyd Reaver can give an idea on the cost of the work needed.

The Township secretary was directed to place an advertisement in the paper for road oil in the same quantity as last year.

Mr. Robert E. Garnett who lives on Red Rock Road was present in response to a letter Mr. Mason had sent him. Mr. Garnett stated that he felt he had been misled by Mr. Shultz. He disputes the need for a permit after reading the ordinance and he feels he doesn't need a permit.

Mr. Neth asked him did he apply for a permit? Mr. Garnett replied, yes. Mr. Neth also asked did you agree to pay for it. Mr. Garnett replied, yes.

Mr. Horoschak asked Mr. Garnett if he had changed his system in any way. Mr. Garnett replied, no. Mr. Horoschak then stated that if the seepage bed was uncovered and touched or tampered with he then needs a permit.

Mr. Gordon said it is necessary to enforce the township ordinances fairly on all the residents.

Mr. Mason told Mr. Garnett that he had used the township sewage officers time and that he admitted he had applied for a permit and since he had promised to pay the township was entitled to the permit application fee.

Mr. Garnett asked if he paid the fee to Mr. Shultz would the township then reimburse him? Mr. Mason said that he could try that approach as it was his right.

The Planning Commission presented the following preliminary and final plans to the township for approval. Richard E. Varish wishes to subdivide a 38 acre tract on Bullfrog Rd. into two tracts. One tract to contain 2.544 acres to be transferred to his daughter and her husband and the remainder to contain 36 acres.

The Adams County Planning Commission had one reservation. Since the driveway to the property may be on a curve the state may not issue a driveway permit. Mr. Reed the future owner has already obtained a permit from PennDot for a driveway. On motion of Mr. Horoschak, seconded by Mr. Gordon the subdivision was approved subject to the completed sewage module application being submitted and approved by D.E.R. Motion carried.

The second subdivision presented by the Planning Commission was the Gordon Estate subdivision. A one lot subdivision of 20.005 acres on the corner of Gordon and Bullfrog Roads which is 'L' shaped and goes behind the existing house is to be sold to Ernest Shriver. The notation on the subdivision notes that Lot 2 (20 acres) is for agricultural use only and that prior to any construction and or land development on Lot 2, the applicable permits must be obtained and soil tests conducted if necessary. On motion of Mr. Horoschak, seconded by Mr. Mason the subdivision was approved as presented. Motion carried.

The third subdivision is a seven lot subdivision of Harold J. and Victoria Greenlee at the intersection of Bullfrog and Pumping Station Roads. All the lots meet the one acre minimum and have the appropriate soil and sewage modules. On motion of Horoschak seconded by Mr. Gordon the subdivision was approved as presented. Motion carried.

Mrs. Kellett had approached the Planning Commission a few months ago with a sketch plan for an approximate two acre subdivision containing a pond. It will reate an irregularly shaped lot which in actual practice may cause some problems but there aren't any prh prohibitions in the subdivision ordinance. The Planning Commission has given preliminary approval to the proposed subdivision.

Mr. Campbell had sent an amendment to the Campground Ordinance 85-1. It redefines a campground and organized camp. It has provision for a register of campers to be kept. Only one question was raised and that was the five or more consecutive days phrase used to define an organized camp. It will be referred to Mr. Campbell to see if the time provision is necessary.

There being no further business the meeting was adjourned at 10:00 P.M. The next meeting will be held July 10, 1985.
